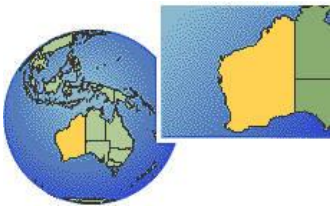
Location



Curtin is based in Perth, the capital city of Western Australia. Perth is one of the most affordable and attractive places to live due to its:

- pleasant climate
- medical and health accessibility
- beautiful natural environment
- political and social stability

With more hours of sunshine than any other Australian capital city, Perth's warm climate and clear, blue skies allow plenty of time to explore the famous beaches, cafes, rivers and wineries around the city.

Student Life – from an exchange student's perspective

"Not only is Curtin an excellent institution, it has a very diverse campus. Living with people from all around the world was a great experience in and of itself. I learned so much from these people, and we became such good friends that I am still in contact with them today."
