

BELLARMINE UNIVERSITY BASKETBALL SKILLS CAMPS

CAMP DIRECTORS

Bellarmine University coaches, Scott Davenport and David Smith, co-direct the 2009 basketball camps. Bellarmine University Basketball Camps are widely recognized as one of the best summer camp values in Kentucky. Camp size is limited to 120 so that each camper receives individual instruction from the Bellarmine players and coaching staff.

BOYS/GIRLS FUNDAMENTAL SKILLS CAMPS

This camp is designed for boys and girls ages 8-13 and will focus on teaching the basic fundamental skills of basketball. With an emphasis on teaching, individual contests and other competitive activities will be incorporated to assist in skill development, yet making the camp a fun experience.

Campers will be introduced to the five-on-five game and will have the opportunity to play team games. Campers are grouped by age and grade and receive equal playing time. Seven year old campers will be considered based upon basketball experience, but it is recommended they attend the camp designed for that age.
