Employment

What kinds of jobs do students have when they graduate?

The U.S. Department of Education is working to provide information about the average earnings of former undergraduate students at Bellarmine University who borrowed Federal student loans. In the meantime, ask Bellarmine University to tell you about how many of its graduates get jobs, what kinds of jobs they get, and how much those graduates typically earn.

Visit <http://www.mynextmove.org> to explore what potential careers a particular postsecondary program or major prepares you to enter. The site has information about current earnings and potential growth in those occupations.

This College Scorecard has been designed by the U.S. Department of Education to provide better information to students and parents about college affordability and value. Visit <http://collegecost.ed.gov> for more information.
