Mission

The Annsley Frazier Thornton School of Education prepares caring, effective educators in the Catholic liberal arts tradition of Bellarmine University to teach and lead in diverse settings. The Master of Arts in Teaching programs offer a best practice, research-based curriculum with a foundation in the liberal arts. Candidates demonstrate proficient to distinguished performance through the following criteria: individual course assessments, field and clinical evaluations, disposition assessments, benchmark assessments, and standardized exams.

“Educator as Reflective Learner”

Bellarmino Teacher Education, with its theme “Educator as Reflective Learner,” places high priority on the development of inquiry about education and the contexts in which learning occurs. Reflective teachers use the world of practice, knowledge of pedagogy, knowledge of the learner, and knowledge of content to personally evaluate their effectiveness. This on-going process provides teachers with a basis for self-evaluation in terms of how well the acquired knowledge base relates to their current practice.

As a vital component of the university, the School of Education is responsible for the preparation of educators with the knowledge, skills, and dispositions necessary for becoming effective contributors to the academic profession and society in the complex and diverse world of the 21st century. By weaving together four knowledge bases developed in the teacher education programs (collaboration, field experiences, dispositions and pedagogy) with the reflection required of our programs, we seek to prepare caring, effective educators in this initial certification program.

NCATE Accreditation

All Bellarmine University Annsley Frazier Thornton School of Education teacher education programs at the advanced level recognized by the Kentucky Education Professional Standards Board are fully accredited by the National Council for the Accreditation of Teacher Education (NCATE), 2010 Massachusetts Avenue, NW, Suite 500, Washington, DC 20036.

Early Elementary Education, Grades P-5

Degree Requirements

- The student may choose to enroll in the additional courses needed to complete a dual certification in Elementary (P-5) and LBD (P-12). The LBD option may not be completed as a single initial certification program.
- Successful completion of one 36 hour minimum liberal studies emphasis area prior to enrolling in the MAT program, or completing the designated coursework as part of his/her MAT program of studies prior to the start of the Professional Semester.
- A program of study which includes all the required coursework with a minimum 3.0 cumulative grade point average.
- A program of study which includes at least 36 hours of coursework at the 500 or 600 level.
- At least 30 semester hours of graduate credit earned in residence at Bellarmine.
- Successful completion of 200 clock hours of field experience prior to the Professional Semester.
- Successful completion of all Benchmark, Disposition and Performance Assessments.
- Completion of all degree work within six years of the applicant's first enrollment in his/her program.

I: Foundations and Tools: MAT. 501, 520, 525

Module I provides a foundation experience regarding the profession of teaching, the American Common School, the nature and needs of today's students, and early elementary education. During the first week of Module I, the student is introduced to the Continuous Assessment Program for the Accelerated MAT Program and the Kentucky Teacher Standards. Admission to Teacher Education occurs at the end of Module I (and prior to Module II). The appropriate Praxis II tests must be passed prior to the end of the first module. Field placement – 55 hours.

II: Literacy and Pedagogy: MAT. 535, 540, 550

Module II is designed to present an integrated experience regarding literacy including reading, language arts, and literature for children. The student will be introduced to a range of effective teaching behaviors, which have a research and/or theoretical foundation. Module II will also extend the student's knowledge of curriculum questions in early elementary education and students with special needs. Field placement – 55 hours.

III: Research and Technology: MAT. 600, 615

Module III integrates research methodology as an integral part of the master's program with the use of technology in the primary through fifth grade classroom. Field placement – 35 hours.

IV: Mathematics/Science and Pedagogy: MAT. 555, 560

While focused on Mathematics and Science content and teaching strategies, Module IV will extend the student's general competencies regarding curriculum questions, effective pedagogy, and the learner with special needs. Field placement – 55 hours.

V: Professional Semester: MAT. 630, 635

The student engages in a minimum of 14 weeks (70 instructional days) of full-time supervised teaching in an elementary school setting using the Kentucky Teacher Standards (1-10) as the referent for successful completion of the Professional Semester. Several workshops or seminars typically on a variety of topics such as classroom organization and management will be required during the Professional Semester. Topical seminars allow students time to share and process their experiences, help develop their practical understanding of teaching, and enable them to connect theoretical knowledge to the realities of classroom events. Application for certification with the state of Kentucky requires the successful completion of all appropriate PRAXIS II exams.

The completion of these courses addresses the following Kentucky Teacher Standards

1. Knowledge of Content
2. Designs and Plans Instruction
3. Implements/Manages Instruction
4. Creates and Maintains a Learning Climate
5. Assesses and Communicates Learning Results
6. Demonstrates Implementation of Technology

Topical seminars allow students time to share and process their experiences, help develop their practical understanding of teaching, and enable them to connect theoretical knowledge to the realities of classroom events.

Completion of these courses addresses all Kentucky Teacher Standards but will NOT lead to a state issued teaching license. All field work will be completed in faith-based schools by observing and practicing the teaching of Religion. Individuals from various religious traditions wishing to study in this program and seek employment in Catholic or other faith-based schools as teachers of Religious Education are encouraged to apply.

Alternate Route to Teacher Certification (Option VI)

In conjunction with the Kentucky Education Professional Standards Board, the Annsley Frazier Thornton School of Education at Bellarmine University has developed an alternative option to obtain teacher certification (Option VI) and complete the Master of Arts in Teaching degree. The student pursuing this route must be fully admitted to graduate study, and have passed the PRAXIS II tests appropriate for the teaching field.

The alternative route to certification will follow the standard Bellarmine MAT with some conditions. The student must be enrolled in consecutive semesters and must be employed by a school district as a teacher of record. The temporary provisional license is a one year certificate which must be renewed by the School of Education in collaboration with school districts. The alternative route requires that all coursework and PRAXIS exams be successfully completed by the end of the Professional Semester within the first two years. A final recommendation for the full Professional Certificate will occur upon successful completion of the Kentucky Teacher Internship Program (KTIP). State regulations do not allow for extensions or exceptions to the time constraints for the completion of the Alternative Route to Teacher Certification.

Advantage: Students fully admitted and in good standing may be considered for hire under the alternative license at various stages of the program. Employment as a classroom teacher is not required by the end of the first semester for program progression, although an offer of employment is necessary to obtain the teaching credential. Students hold a Temporary Provisional Teaching Certificate, resulting in Rank III pay. Rank II pay will be achieved at the completion of the final semester and awarding of the MAT degree.

How long will it take? One and one-half to two years to earn the MAT degree and Rank II pay. Students will hold a Temporary Provisional Certificate during the course of their MAT program and are eligible for hire as a full-time teacher of record. The KY Teacher Internship Program (KTIP) will begin after the Professional Semester. Students in the traditional MAT program could finish the program in five semesters and then be eligible for hire as a full-time instructor.

Current School of Education agreement with Education Professional Standards Board (EPSB)

1. Temporary-provisional licenses are issued for one year. Candidates may be eligible to renew this license for one additional year if all criteria are met. (A maximum of two years).
2. Upon successful completion of all MAT program requirements and graduation, candidates must renew the tempo-

rary provisional license in order to begin KTIP. (Please note: the professional certificate is issued after successful completion of KTIP and upon recommendation by the employer/school district.)

3. Candidates must meet the clinical requirements of our MAT program (field hours and professional semester).
4. Candidates choosing Learning Behavior Disorders must complete it as a dual certification. All LBD requirements must be completed by graduation.

Policies to obtain School of Education recommendation

As stated in 16 KAR 9:080, Section 2 (4) (b), one of the university requirements in conducting an alternative route program is to (b) *Provide a candidate written and dated documentation of eligibility for the university alternative certification program so that the candidate may be considered for employment pursuant to KRS 160.345(2)(h).*

A. Prior to accepting a teaching position, candidates must have completed the following requirements to ensure compliance with Kentucky regulations and the success of subsequent employment.

1. Candidates that have completed all academic emphasis course work will have highest consideration. Other candidates must pursue a waiver process.
2. Candidates must have successfully completed Module I and the requirements for Admission to the Teacher Education Program and/or must have comparable professional experience, preliminary training, etc. Candidates pursuing special education employment must be enrolled in or have successfully completed one special education course.
3. Faculty will interview candidates to evaluate readiness for classroom teaching and receptiveness to university mentoring. Evidence of readiness may include observation/videos of teaching, field evaluations, etc.
4. Candidates must be recommended by their instructor to the School of Education certification officer.

B. Other requirements

1. Candidates must maintain continuous enrollment at Bellarmine in order to receive mentoring services for alternative certification. This includes MAT Modules and special education coursework. Enrollment in academic emphasis course work at other institutions is not considered 'continuous enrollment.'
2. The candidate must provide written notification within 5 business days of any change in employment including resignation, termination, teaching assignment, etc.

REQUIRED GPA & ENTRANCE EXAMS

Successful applicants to the MAT program will have a cumulative grade point average (GPA) of 2.75 out of 4.00 from coursework across all undergraduate and/or graduate coursework prior to the MAT, or a GPA of 3.00 out of 4.00 on the last thirty (30) hours of credit completed.

The date in which the entrance exam is taken will determine which exam will be needed. Please note the following:

Until **August 31, 2014** admission to the MAT requires meeting the Kentucky established Graduate Record Exam (GRE) minimum scores of 150 Verbal, 143 Quantitative and 4.0 (out of 6.0 scale) Writing OR – the applicant may choose to obtain the Kentucky required minimum scores on all three sections of the PPST (PRAXIS I) exams. These required scores are Reading 176, Math 174 and Writing 174.

Beginning September 1, 2014

Admission to the MAT requires meeting the Kentucky established Graduate Record Exam (GRE) minimum scores of 150 Verbal, 143 Quantitative and 4.0 (out of 6.0 scale) Writing OR – the applicant may choose to obtain the Kentucky required minimum scores on all three sections of the Praxis Core Academic Skills for Educators (CASE) exams. These required scores are Reading 156, Math 150, Writing 162.

If the GRE is taken first and successful scores in all areas are not met, the applicant may choose to obtain success on the appropriate PPST/CASE exam as an alternative to re-taking the GRE. **Test scores for all noted exams must be no more than five years old by the end of the first MAT semester and must be reportable by ETS.** Please see the exam web sites for Reportable History Guidelines.

Test scores used for the Alternative Certification option may not be more than five years old and must meet current Kentucky score requirements. Should a candidate seek the alternative certification option and age limit/test scores no longer meet the current Kentucky regulations, then this guideline would necessitate a retake of the PPST, GRE or CASE exam(s). Scores are reviewed at the time the alternative license is first issued to insure Kentucky requirements have been satisfied.

Appropriate and required PRAXIS II (www.ets.org/praxis) content exams are not necessary for an admission decision although passing scores in at least one of the applicable content areas must be on file by the end of the first semester of enrollment (Module I). PRAXIS II content exams must be no more than five years old at the time of certification.

Learn more about these requirements by visiting these links: GRE - www.ets.org/gre, PRAXIS - www.ets.org/praxis, KY Education Professional Standards Board – www.kyepsb.net.

TUITION AND FEES

The Master of Arts in Teaching program is billed at a per-semester rate which is locked in for the five program semesters. Students beginning the MAT now and through the Summer 2015 semester will be charged the rate of **\$4,370 per semester (\$21,850 for all five semesters of the MAT)**. This includes all fees except the graduation fee and the Alternative Certification mentoring fee (if applicable).

Students who choose to complete the Learning and Behavior Disorders dual certification option will be charged **\$350 per credit hour** for those courses along with a \$40 LBD per-course fee for the 2014-2015 academic year.

Funding Assistance

Students are encouraged to complete the Free Application for Federal Student Aid (FAFSA) by visiting www.fafsa.gov. The Bellarmine School code is 001954. By completing the FAFSA, you may be eligible for student loans.
