

Spring 2014 VERITAS LUNCH AND LEARN SERIES

Name _____

The Spring 2014 Veritas Society schedule includes six highly-relevant Lunch and Learn sessions that run from noon to 1:30 p.m. Each program begins with lunch at noon, followed by the featured speaker. **With the exception of March 7**, they are held in the Private Dining Room (PDR) in the University Dining Hall (which is adjacent to Frazier Hall, off Norris Place). Lunches are self-serve – choose from a variety of food stations after checking in with the Lunch & Learn Coordinator at the register. Registration for each session is limited to 34 due to space restrictions.

How to Register for Lunch and Learn: Place a “√” in the box beside the luncheon(s) you wish to attend and include this form with your Veritas Registration. Please include payment for luncheons with your Veritas course registration form and payment. (In other words, you do not have to write two checks or make two credit card payments.) Pre-registration required. Sorry, no refunds.
