

**Kentucky Board of Nursing
Program of Nursing Approval Status
As of 6/30/15**

Definition of Approval Status

Developmental approval shall be the designation granted to a proposed program of nursing to continue development of plans for program implementation.

Initial approval shall be the designation granted to a new program of nursing upon admission of the first class, if provided the date of enrollment is within eighteen (18) months of Board approval of the proposal.

Full approval shall be the designation granted to a program of nursing that has implemented the proposal and that continues to meet the standards of the Kentucky Administrative Regulations that govern the program.

Monitoring approval shall be the designation granted to a program of nursing that has achieved full approval status and fails to meet one (1) or more of the standards of the Kentucky Administrative Regulations that govern the program including achieving the pass rate.

Conditional approval shall be the designation granted to a program of nursing if one (1) or more of the standards of the Kentucky Administrative Regulations that govern the program have not been met following monitoring status.

Probational approval shall be the designation granted to a program of nursing if one or more standards the Kentucky Administrative Regulations that govern the program have continued to be unmet.
