For a description of the methodology used to generate this report, please refer to the Appendix.

Undergraduate Notes

1. Per the IPEDS standard, the reporting period for each academic year corresponds to degrees awarded between July 1 of the previous calendar year and June 30 of the subsequent calendar year. For example, 2015-2016 consists of degrees awarded at the conclusion of the Summer 2015, Fall 2015 or Spring 2016 terms. Data is current as of the date listed at the bottom right of each page.

2. This report consists of unduplicated headcounts. Undergraduate students are listed by their primary major on pages 1-2; those students who declared a second major are listed on page 3. The secondary major sometimes corresponds to a different degree program (e.g., B.A., B.S. or B.S.N) but these students are no longer double-counted on pages 1-2 as in past years' versions of this report.

3. Duplicated headcounts, i.e. total degrees awarded:

2015-2016:	387 women, 192 men, 571 total
2014-2015:	345 women, 166 men, 579 total
2013-2014:	405 women, 205 men, 610 total

4. The standalone Music Technology bachelor's program is now part of the Bachelor of Music program and is not accepting new students.

5. The Medical Laboratory Science Certificate is only offered to visiting students from IU Southeast.

6. The Applied Information Technology bachelor's program is no longer accepting new students.

7. The Design, Arts, and Technology bachelor's program can only be added as a second major.

8. The Computer Information Systems bachelor's program is no longer accepting new students.

9. The RN-to-BSN bachelor's program located at Bellarmine is no longer accepting new students.

10. Before the 2011-2012 academic year, secondary education was offered as a minor only. Historic number of secondary education minor graduates:

2013-2014:	3 women, 3 men, 6 total
2012-2013:	7 women, 3 men, 10 total

Graduate Notes

1. MST (Taxation) was added as a new program in the 2012-2013 academic year.

2. Prior to Spring 2014, the MAT in Literacy was coded as MAT in Reading and Writing. Those completing either degree are now included in the Literacy Specialist category.

3. The MSA (Analytics) program was added in the 2014-2015 academic year.

4. The Leadership in Higher Education Ph.D. program was added as a new program in the 2014-2015 academic year.

5. Enrollments in the Education and Social Change Ph.D. program are now listed separately from the Education Ed.D. program.

6. The Education Specialist (Ed.S.) degree program was formerly called the Principalship program.
