RE: Program #0812

Current Accreditation Status: 8 Years
Most Recent Site Visit: 06/15

Dear Dr. Tegart:

The substantive change, i.e., transfer of sponsorship from St. Catharine College to Bellarmine University for the baccalaureate degree radiation therapy program was considered at the August 23, 2016 meeting of the Joint Review Committee on Education in Radiologic Technology (JRCERT). The JRCERT took the following action:

APPROVAL OF SUBSTANTIVE CHANGE.

The next site visit is tentatively scheduled for the Second Quarter of 2018.

The program is advised that consistent with JRCERT Policy 11.600, the JRCERT reserves the right to conduct unannounced site visits of accredited programs. The sponsoring institution would be responsible for the expenses of any on-site evaluation.

The Joint Review Committee on Education in Radiologic Technology Directors and staff wish you continuing success in your efforts to provide a quality educational program. If we can be of further assistance, do not hesitate to contact the office.

Sincerely,

Laura S. Aaron, Ph.D., R.T.(R)(M)(QM), FASRT
