WEB REGISTRATION PROCEDURES & POLICIES

Web Registration Procedures

1. Prepare your course selections:

- a. Review the requirements for your degree in the Bellarmine University Catalog or other official documents given to you by your advisor.
- b. Review a copy of your unofficial transcript to refresh your memory about the classes you have already completed. Also, verify that credits from any other institutions have been recorded properly. You may only obtain a copy of your unofficial transcript in person at the Registrar’s Office (bring your photo ID).
- c. Obtain a blank Registration Worksheet from the Registrar’s Office website.
- d. Complete the worksheet by listing your first choice classes as well as any alternates. See FAQs on the Registrar’s Office website for more information about alternates.

2. Determine your registration “Time Ticket”

Login to myBellarmine to view your registration “time ticket” assignment; this is the precise date and time that you may begin to register. Mark your calendar with this information so that you can plan to register as close to the opening of your time ticket as reasonably possible. Time ticket assignments will be available to view on myBellarmine approximately two weeks before registration begins.

3. Check your Hold status

Check your hold status on mybellarmine. Allow plenty of time to take care of any holds that will prevent registration.

4. Obtain approval from your Advisor

Arrange an advising appointment with your advisor. Present your completed Registration Worksheet to your advisor for his/her approval. After your appointment, your advisor must complete two actions: 1) he/ she must login to their own myBellarmine account and grant you registration clearance for the proper semester and 2) he/she must sign your registration worksheet. Web registration will not work without electronic clearance granted by your advisor. The signature on the registration worksheet will serve as proof of your advisor’s approval in the event that you need help from the Registrar’s Office.

Note for graduate MBA students: you will not complete the advising and registration worksheet process and will automatically be pre-cleared for registration.

Note for graduate students in Nursing and Communications: your advisor may present you with an alternate advising appointment plan, possibly via email or phone; contact that person for details.

5. Register for classes

- a. When your time ticket opens, login to myBellarmine and either click the direct link to registration found in the Registrar’s Office Announcements box on the home page, or click the Student Tab and then the Registration link.
- b. Next, click the Add/Drop Courses link to begin the registration process. Remember to enter the correct Term and Program for registration. Have your registration worksheet with you when you register; it will help remind you what your advisor has ap-

proved and will also facilitate the entry of your course selections into the registration screen.

- c. See Web Registration Tips on the Registrar's Office website for more information about navigating inside the registration system.

6. Print a copy of your Class Schedule

If you wish, print a copy of your schedule for your records. Your advisor will automatically receive a copy of your schedule via email. If your registration is complete and you do not need further assistance, keep your signed worksheet for your reference; you do not need to turn it in.

7. Need additional help?

- a. Check the Frequently Asked Questions link on the Registrar's Office website.
- b. Contact the Registrar's Office directly for registration assistance. During registration, the preferred way to contact us is in person at the Registrar's Office window, Horrigan Hall room 205. You may also call us directly at 502.272.8133.
- c. For non-urgent assistance, you may send an email to registrar@bellarmine.edu. This account will be checked daily.

Web Registration Policies

1. Time Ticket Policies

- a. Students register by classification as outlined on the academic calendar. Seniors are defined as 90 or more completed credits, juniors have completed 60-89 credits, sophomores have completed 30-59 credits, and freshmen have less than 30 completed credits.
- b. Within each classification, students are assigned a specific time ticket. The time ticket is the precise date and time that registration opens for each individual student.
- c. Time ticket assignment is done in order to control the volume of traffic on the myBellarmine server. Time tickets assign students to reasonably sized groups that can be handled by the server.
- d. Time tickets are assigned by a randomly generated computer program.
- e. Students whose time tickets open while in class are strongly advised to wait until after class to register. Instructors are not obligated to honor registration as a valid excused absence.
- f. Students who think their time ticket should be assigned to a higher classification should check the number of cumulative earned credits on their Bellarmine transcript. For further questions, contact the Registrar's Office.

2. Priority Registration Policy

- a. Due to the structured nature of their programs, ROTC students and Bellarmine University student-athletes qualify for priority registration. Eligible students will be assigned a registration time ticket that opens in the late afternoon the day prior to their normal class standing's registration period. For example, an eligible (defined in b and c below) sophomore will be allowed to register during the final time ticket on the last day of junior registration.
- b. **ROTC Students:** To be eligible for priority registration, ROTC students must be officially registered for Bellarmine credit in at least one ROTC course in the current semester (typically shown as M.S. prefixed courses on their course schedule). Students must also have documented information accessible to the Registrar's Office indicating their continuation of the program in the upcoming semester. Such documentation would only be necessary if the ROTC student does not meet the ROTC course registration requirement. ROTC students will have priority

registration in both fall and spring semester.

- c. **Bellarmine University NCAA Student-Athletes:** Student-athletes will be granted priority registration for the semester of their traditional season(s) of competition. To be eligible, students-athletes must be listed on the official Bellarmine University NCAA sanctioned roster of their sport. Sports that qualify are listed below.

- During the fall, when registering for spring classes, priority registration will take place for student-athletes in the following sports: baseball, softball, lacrosse, men's tennis, women's tennis, men's swimming, women's swimming, men's track & field, and women's track & field.
- During the spring, when registering for fall classes, priority registration will take place for student-athletes in the following sports: field hockey, volleyball, men's cross country, women's cross country, men's soccer, and women's soccer.
- Due to competition schedules that overlap terms, athletes in these four sports will have priority registration for both fall and spring semesters: men's golf, women's golf, men's basketball, and women's basketball.

3. Advisor Approval Policies

- a. Students must have advisor approval to register. The electronic version of advisor approval is when he or she grants "registration clearance". Students must obtain electronic clearance only from their official advisor. Students must contact their advisor directly if clearance has not been granted.
- b. Advisor information can be viewed by students on myBellarmine. Only the student's official assigned advisor can grant registration clearance. For questions about advisors, contact the Academic Resource Center (ARC) at 502.272.8071.
- c. Students are strongly encouraged to obtain their advisor's signature on their registration worksheet. In the event that registration assistance is needed, the Registrar's Office will require proof of the advisor's approval; this signature will provide that proof.
- d. Students with more than one official advisor may go to either advisor for electronic clearance and a signature on the worksheet.
- e. If extenuating circumstances prevent a student from obtaining advisor approval (electronic clearance or signed worksheet), he/she may request a signature on the registration worksheet from the department chair of their major, the academic dean of their school, or a professional advisor in the ARC. Approval from any of these parties is at their discretion. Once a signature is obtained on the worksheet, the student may bring it to the Registrar's Office for assistance. The Registrar's Office will only register students with a valid signature.

4. Registration Changes

- a. Once a student's time ticket is open, it will remain open through the day before the semester begins. This will allow students to make any necessary changes to their own schedule up until the add/drop begins.
- b. Changes made by students will automatically be emailed to their advisor. Advisors do not need to approve changes but students are strongly encouraged to discuss any changes with them in advance. Students must accept responsibility for any registration changes made without advisor consultation.
- c. Once the semester begins, students have one week to add/drop classes. During this week all add/drops must be done in person at the Registrar's Office.

WITHDRAWAL POLICY

A student who finds it necessary to drop a course or withdraw from the university after registration must provide written notification to the Office of the Registrar.

The effective date of withdrawal is the date on which the withdrawal notification is received in the Registrar's Office. This date is used in calculating any applicable tuition reduction/refund.

All full-time undergraduate students are required to meet with a representative of the Academic Resource Center (ARC) prior to withdrawing from the university.

Students who fail to comply with this policy will receive an F for all courses for which they are registered and be responsible for corresponding tuition and fees.

When a student officially withdraws from the university or from any course, or courses, charges will be adjusted according to the refund schedule listed below. The full amount of tuition will be due unless the withdrawal occurs during the refund period; all fees are non-refundable. Also, refer to the "Adjustments & Refunds of Tuition" section listed in the University Catalog.

INSTITUTIONAL FINANCIAL AID REFUND POLICY

When a student has Institutional financial aid from Bellarmine University and completely withdraws during the time that a tuition refund is due, the student is eligible to keep the same percentage of Institutional financial aid that they are charged for tuition. The remaining aid is refunded to the financial aid programs.

Spring 2014 Semester Tuition Refund Schedule

Schedules differ for a complete withdrawal from the university versus dropping and adding individual classes. Fees are not refundable after January 3, 2014. Tuition refunds for alternative start dates will be prorated. Contact the Bursar at bursar@bellarmine.edu or 502.272.8264 with questions.

Treatment of Federal Title IV Aid After Withdrawal

The law specifies how Bellarmine University must determine the amount of Federal Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are Federal Pell Grants, Iraq/Afghanistan Service Grant, Federal Direct Stafford Loans, Direct PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), Federal Perkins Loans, and TEACH Grants. When you withdraw during the semester the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or Bellarmine or your parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you receive more assistance than you earned, the excess funds must be returned by Bellarmine and/or you.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30 percent of your semester, you earn 30 percent of the assistance you were originally scheduled to receive. Once you have completed more than 60 percent of the semester, you earn all of the assistance that you were scheduled to receive for that semester. If you did not receive funds that you earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, Bellarmine must get your permission before it can disburse them. You may choose to decline some or all of your loan funds, you have fourteen days to choose to decline the additional loan funds so that you don't incur additional debt. Bellarmine will automatically use all or a portion of your post-withdrawal disbursement (including loan funds if you accept them) for tuition, fees, and room and board charges. Bellarmine needs your permission to use the post-withdrawal disbursement for all other school charges. If you do not give your permission, you will be offered the funds. However, it may be in your best interest to allow Bellarmine to keep the funds to reduce your debt.

If you receive (or Bellarmine or your parent receives on your behalf) excess Title IV program funds that must be returned, Bellarmine must

return a portion of the excess equal to the lesser of: 1. Your institutional charges multiplied by the unearned percentage of your funds; or 2. The entire amount of excess funds. Bellarmine must return this amount even if it did not keep this amount of your Title IV funds.

If Bellarmine is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is you make scheduled payments to the holder of the loan over a period of time. Any amount of unearned grant funds that you must return is called an overpayment. The amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. Bellarmine will return the unearned grant funds for you, which may cause you to owe a balance.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that Bellarmine has. Therefore, you may still owe funds to Bellarmine to cover unpaid institutional charges. Bellarmine may also charge you for any Title IV program funds that Bellarmine was required to return. If you don't already know what Bellarmine's refund policy is, see the previous section or, you can ask for a copy in the Office of the Registrar. Bellarmine can also provide you with the requirements and procedures for officially withdrawing from school.

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1.800.4.FED.AID. TTY

users may call 1.800.730.8913. Information is also available on "Student Aid on the Web" at www.studentaid.ed.gov. The Office of Financial Aid and the Bursar at Bellarmine are also available to assist you.

Military Service and Serious Illness or Injury

Students enrolled in courses at the time they are called for active military service will have their tuition and fees reversed ONCE THE APPROPRIATE DOCUMENTS are provided to the Bursar. Any financial aid will be adjusted according to the Title IV and Institutional Refund policies. Enrolled students who become incapacitated by serious illness or injury, to the extent that they must withdraw from all classes, may be entitled to a tuition adjustment ONCE THE APPROPRIATE DOCUMENTS are provided to the Bursar. A letter from the student's doctor describing the illness or injury, along with any supporting documents, such as proof of a hospital stay, is required. Any financial aid will be adjusted according to the Title IV and Institutional Refund policies. All fees are non-refundable.

VETERANS BENEFITS

Students who wish to use Veterans' Benefits while attending Bellarmine University, once registered, should bring a copy of their class schedule to the Office of the Registrar for certification. General questions regarding VA benefits can be directed to Jennifer Matzek, Associate Registrar, at 502.272.7113 or to the Veteran's Administration at 1.888.442.4551.
