## READMISSION

Undergraduate students who did not enroll in the spring 2013 semester, but were previously enrolled, must submit a completed Application for Readmission along with official transcripts from any accredited institutions attended since previous Bellarmine enrollment (no application fee is required).

Graduate students who did not enroll in the spring 2013 semester should contact their program for information and procedures for readmission.

## REGISTRATION INFORMATION

Students may register beginning March 14, 2013 according to the schedule to the left. Registration for each summer session remains open through the first day of the session (see academic calendar for specific dates).

## CURRENTLY ENROLLED UNDERGRADUATES

Web registration is required for all undergraduate students who are currently enrolled in spring 2013 and are seeking their first undergraduate degree. These students will follow the same policies and procedures that are in place for fall 2013 registration, including the advisor clearance process. Web registration time tickets are the same for summer and fall registration. Refer to the Web Registration Policies and Procedures information found on the Registrar's website [www.bellarmino.edu/registrar](http://www.bellarmino.edu/registrar) for information needed to web register.

Currently enrolled second degree nursing students will web register on a date to be determined. Post baccalaureate

students in all other degree programs may register using the Registration Worksheet found on the Registrar's Office website; an advisor's signature is required. Current non-degree students may register directly with the Registrar's Office beginning March 26 using the Registration Worksheet found on the Registrar's Office website; an advisor's signature is not required for non-degree students.

## CURRENTLY ENROLLED GRADUATE STUDENTS

Web registration is required for graduate students who are currently enrolled in spring 2013 in the following programs: Master of Arts in Communication; Master of Science in Nursing; Doctor of Nursing Practice; Master of Science in Applied Information Technology; Master of Business Administration; and Master of Science in Taxation.

Students in these programs must review the Web Registration Policies and Procedures at [www.bellarmino.edu/registrar](http://www.bellarmino.edu/registrar).

Graduate students currently enrolled in spring 2013 in the following programs should contact their graduate program director or advisor for registration; web registration is not available in these programs: Graduate Education (all degrees); Master of Arts in Spirituality; or Doctor of Physical Therapy.

These students should use the Registration Worksheet found at [www.bellarmino.edu/registrar](http://www.bellarmino.edu/registrar) and work with their admission counselor or program director to register.

## TEXTBOOK INFORMATION

In accordance with the requirements of the Higher Education Opportunity Act of 2008 (HEOA), textbook information for classes listed in the printed schedule can be found online. The online listing is subject to change. Students should also refer to the course syllabus for information. Textbooks can be located online at [my.bellarmine.edu](http://my.bellarmine.edu); click the Class Schedule application under Quick Links, enter the selection criteria, and click the course number to see the Course Information. Click the required material(s) button to see the textbook information.

## POLICIES

**Withdrawal:** A student who finds it necessary to drop a course or withdraw from the university after registration must provide written notification to the Office of the Registrar.

Students who fail to comply with this policy will receive a grade of "F" for all courses for which they have registered and will be responsible for corresponding tuition and fees.

When a student officially withdraws from the university or from any course(s), charges will be adjusted according to the summer 2013 refund schedule. The full amount of tuition will be due unless the withdrawal occurs during the refund period; all fees are non-refundable.

Federal law specifies how Bellarmine University must determine the amount of Federal Student Aid (FSA) assistance that you earn if you withdraw from school. The requirements for FSA program funds when you withdraw are separate from any institutional refund policy.

Please note: Summer 2013 graduation candidates may not take Session V classes.

## TUITION AND FEES

- Undergraduate Tuition: \$755 per credit hour
- Graduate Tuition: Varies; check with applicable graduate program.
- Audit: 1/3 of per credit hour tuition rate
- Comprehensive Fee for Undergraduates: \$45 a course
- Comprehensive Fee for Graduates: \$35 a course
- Course Fees: Certain courses carry additional fees. See course schedule for amounts

## ACADEMIC POLICIES

Review the academic policies in the most current version of the Bellarmine University catalog. These policies apply to summer sessions.

**Note Regarding Session Dates:** Some courses are scheduled outside the date ranges of the sessions listed to the right and may be indicated as Session VI or VII in the Course Listing; for specific meeting dates see the Course Listing. The drop/add deadline and the last day for 100% refund for these courses is before the first class meeting. The last day for a 80% refund for these courses is before the second class meeting. The last day to withdraw from these courses with a grade of W is before two-thirds of the class meetings.

Accelerated Nursing students must refer to the orientation handout "Accelerated BSN Withdrawal and Refund Policy" for refund and withdrawal dates. These dates differ from the dates to the right.
