Summer 2014 Student Federal Aid Application

At Bellarmine, summer terms are an extension of the prior academic school year. To be considered for all types of financial assistance, a completed 2013-2014 Free Application for Federal Student Aid (FAFSA) must be on file in the Office of Financial Aid. **Do not complete this form until your FAFSA information is on file with our office. 2013-2014 FAFSA data must be received by the Department of Education by June 30, 2014.**

Summer applicants should familiarize themselves with annual Stafford Loan limits. Summer applicants who have used their maximum award limits for Stafford loans during the fall and spring semesters will not have any remaining eligibility for summer.

You should register for all summer classes you plan to attend at the beginning of summer. If you drop a class before the term begins, your financial aid will be adjusted accordingly. Dropping below half-time may result in total cancellation of aid. If you add a class, please notify our office.

Last Name	First Name	M	M Bellarmine ID Number
