**Spain**

May 15-29, 2017

**Deadlines:**

Early—December 1  
(save \$100)

Final—February 15

**Intercultural Communication**

(COMM 313, IDC 301 or  
COMM 611)

This course examines how communication patterns are influenced by surrounding cultures and how culture is created and sustained through communication.

It focuses on communication across cultural boundaries, and is designed to prepare students to effectively adapt and succeed in a contemporary world that is becoming more culturally diverse.
