Name of program and why you chose it:

Bilateral Exchange – This program allowed to study in Australia with minimal cost.

Describe the Housing Situation:

I had my own room at a residential college. It’s similar to dorms, but not affiliated with the university.

Advice to future study abroad participants: Don’t let your fears get in the way of the experience; everything will be okay!

Best Memory:

Spending a weekend at Rottnest Island with all of the new people I met!

How has this experience enriched your Bellarmine educational experience?

I have a broader perspective now, and am able to view things from other perspectives more easily.

Greatest Challenge:

When things weren’t going right for me I would become extremely home sick.

What you know now that you didn’t know before going abroad:

I know how capable I am of doing things that aren’t easy or that scare me.

**One semester in Australia is all it took to change my life in so many amazing ways –
I’m a better person for it.**
