CURRENTLY ENROLLED UNDERGRADUATES

Web registration on my.bellarmine is required for all undergraduate students who are currently enrolled in spring 2016 and are seeking their first undergraduate degree. These students will follow the same policies and procedures that are in place for spring 2016 registration, including the advisor clearance process. Refer to the Web Registration Policies and Procedures information found on the Registrar's website www.bellarmine.edu/registrar for information needed to web register.

Second degree nursing students will web register on a date to be determined. Post baccalaureate students in all other degree programs may register using the Registration Worksheet found on the Registrar's Office website; an advisor's signature is required. Current non-degree students may register directly with the Registrar's Office beginning February 5 using the Registration Worksheet found on the Registrar's Office website; an advisor's signature is not required for non-degree students.

CURRENTLY ENROLLED GRADUATE STUDENTS

Graduate students currently enrolled in spring 2016 in the following programs should contact their graduate program director or advisor for registration; web registration

is not available in these programs: Graduate Education (all degrees); Master of Arts in Spirituality; or Doctor of Physical Therapy.

Web registration on my.bellarmine is required for graduate students who are currently enrolled in spring 2016 in all other graduate programs. Students in these programs must review the Web Registration Policies and Procedures at www.bellarmine.edu/registrar.

STUDENTS NOT CURRENTLY ENROLLED

Undergraduate and graduate students who are new to Bellarmine for summer 2016, those who have been readmitted for the session, and new non-degree students are not eligible to web register. ACADEMIC POLICIES

Review the academic policies in the most current version of the Bellarmine University catalog at catalog.bellarmine.edu. These policies apply to summer sessions.

Independent Studies, Internships, Contract Courses:

Registrations for independent studies, internships, or contract courses will be entered into Summer Session IV unless otherwise indicated on the course listing or on the student's individual registration form.

Withdrawal: A student who finds it necessary to drop a course or withdraw from the university after registration must provide written notification to the Office of the Registrar.

Students who fail to comply with this policy will receive a grade of "F" for all courses for which they have registered and will be responsible for corresponding tuition and fees.

When a student officially withdraws from the university or from any course(s), charges will be adjusted according to the summer 2016 refund schedule. The full amount of tuition will be due unless the withdrawal occurs during the refund period; all fees are non-refundable.

Federal law specifies how Bellarmine University must determine the amount of Title IV program assistance that you earn if you withdraw from school. The requirements for Title IV program funds when you withdraw are separate from any institutional refund policy.

The full withdrawal policies are found in the Bellarmine University catalog.

Note Regarding Session Dates: Some courses are scheduled outside the date ranges of the sessions listed to the right and may be indicated as Session VI or VII in the Course Listing; for specific meeting dates see the Course Listing. The drop/add deadline and the last day for 100% refund for these courses is before the first class meeting. The last day for a 80% refund for these courses is before the second class meeting. The last day to withdraw from these courses with a grade of W is before two-thirds of the class meetings.

Accelerated Nursing students must refer to the orientation handout "Accelerated BSN Withdrawal and Refund Policy" for refund and withdrawal dates. These dates differ from the dates to the right.
