FALL EVENTS REVIEW

Faculty/Staff Art Show

The Faculty/Staff Art Show was Nov. 7 in Hilary's. Staff Council partnered with the Office of Multicultural Affairs to showcase works from more than 15 faculty and staff, including jewelry, photography, scrapbooking, quilting, painting, sculpture and more.

Holiday Potluck

Marla Smith and the Social and Community Activities Committee did a great job of coordinating the Holiday Potluck on Dec. 14. There must be many good cooks among the Bellarmine staff. At least that's a reasonable conclusion after tasting the variety of dishes that were brought to the potluck. An estimated 50 people attended the event, where the good food and good conversation helped to get everyone in the holiday spirit.
