

The ***Intent to Walk Form*** for December 2010 Commencement will be available on this site in early October 2010 – please check back then.

Students graduating in Summer 2010 or Fall 2010 will be invited to participate in the December 2010 ceremony and will be required to submit an ***Intent to Walk Form*** closer to that time.

Graduating students will be sent information about the Fall Graduation Fair starting in September (the Fair will be sometime in October). Make sure to check your Bellarmine email account and also keep us updated with your home address information. Intent to Walk Forms should be submitted at the Fall Graduation Fair or shortly thereafter.
