

The ***Intent to Walk Form*** for May 2010 Commencement will be available on this site in early March 2010 – please check back then.

All students graduating in May 2010 will be invited to participate in the ceremony and will be required to submit an ***Intent to Walk Form*** closer to that time.

Graduating students will be sent information about the Spring Graduation Fair in February (the Fair will be March 08-09). Make sure to check your Bellarmine email account and also keep us updated with your home address information. Intent to Walk Forms should be submitted at the Spring Graduation Fair or shortly thereafter.
