Instructions

Registration for applied music lessons and ensembles must be completed in person, using this form:

1. Write the course information into the boxes above.
 - Course numbers that begin with MUSI are applied lessons. These are available for 1 credit (30 minute per week lesson) or 2 credits (60 minute per week lesson).
 - Course numbers that begin with MUSE are ensembles. These are available for 0 credit or 1 credit. Note: the zero credit option is only for students with 19 credits in the semester.
 - Sections are a letter and number combination where the number corresponds to the amount of credit for the section (e.g. T1 is a 1-credit section). The letter in the section is assigned by the Registrar's Office and is usually the first initial of the instructor's last name.
 - Course numbers follow a progression using a higher number for each semester taken. Refer to the semester's published course schedule or the Catalog to obtain the correct course numbers and sections.
2. Obtain the signatures of the course instructor and the music department chair.
3. Complete a separate form for each applied lesson and ensemble desired.
4. Submit forms in person to the Registrar's Office by the deadline published on the semester's academic calendar.
