IDC 301 “A Multicultural Look into Interpersonal Relationships”

Winnie M. Spitza, J.D.

Bellarmino University

**Application Deadline: February 26<sup>th</sup>, 2010**

**Scholarships Available!**

*So you've seen the movies, "Australia" and "Quigley Down Under," and are fascinated and intrigued with learning more about this Continent's people and their customs. A visit to the world "down under" will give you a "once in a lifetime" opportunity to examine Australia's culture and people while developing effective "people skills" through the study of interpersonal communication. Topics to be explored will include self-concept, perception, emotions, language, nonverbal cues, relational dynamics, listening, and conflict resolution.*
