Business Administration/Accounting Faculty: Dr. Patricia Selvy; CPA (B.A. 410)

Travel with Bellarmino business faculty to France, Austria and Italy and earn up to 6 hrs. of Bellarmino business credits towards your major in Business Administration. The rolling hills of Tuscany are located in Central Italy, a European economy almost entirely driven by small businesses (95%). The program will be based in Florence which is world renown for its splendid historical treasures and architecture. Tentative excursions are planned for:

- **Milan** – Company site visits and lectures at the Catholic University of Milan
- **Montepulciano** – Roberto Bellarmino's (1542-1621) birthplace
- **Austria** – Company site visits and lectures at the University of Kufstein
- **France** – Company site visits and lectures at the Université de Strasbourg
- **Excursion details will be available in January.**

Students will also have 1-2 free days where they may choose to travel to cities such as Rome or Venice at their own expense and arrangement.

This program is offered to students on a first come, first served basis, while at the same time considering the following selection criteria: GPA, class standing, meeting pre requisites, course selection (6 hrs vs. 3 hrs) and campus involvement.

B.A. 410 New Business Ventures

The course exposes students to the challenges faced by those attempting to start a business of their own. It will integrate many of the concepts of management, marketing, finance and law as they pertain to a career in entrepreneurship. In addition to exploring many of the opportunities and challenges encountered by budding entrepreneurs, the students will prepare a comprehensive business plan. **Pre-requisites: Acct. 102; B.A. 301, 305**

B.A. 445 International Experience/ IDC 301 Trans-cultural Experience

This course is held in a foreign country and exposes students to international business issues. Topics covered include international management, international marketing, international accounting and finance, and international economics. This course consists of a combination of seminars, projects and company visits.
