2010-11 Study Abroad Travel Stipends **Sponsored by the Student Government Association and** **the Quality Enhancement Plan**

In support of Bellarmine's Quality Enhancement Plan (QEP), "Liberal Education in an International Context: Preparing Students for a Globally Competitive World," SGA and the QEP are supporting Bellarmine students studying abroad by funding six travel stipends (twice as many as in past years!).

Who is eligible this year? Students studying in summer 2010, fall 2010, or spring 2011.

How much are the stipends? Four \$500 stipends awarded to students studying abroad for one semester, and two \$250 stipends awarded to students studying abroad for a summer term.

How do I apply? Send an email to Beth Davis at bdavis@bellarmine.edu by **March 12, 2010** with the following information:

- Study abroad program name & location;
- Program costs/budget;
- Program dates; and
- A description of how the funds would be used and other funding sources you have available.

Only students officially accepted to a study abroad program will receive the stipend. In the event the recipient does not participate in the program, funds will be returned to Bellarmine.
