Quality Enhancement Plan

In support of Bellarmine's Quality Enhancement Plan, "Liberal Education in an International Context: Preparing Students for a Globally Competitive World," SGA is supporting Bellarmine students studying abroad by funding three travel stipends each year until 2013.

Who is eligible this year? Students studying in summer 2009, fall 2009, or spring 2010.

How much are the stipends? Two \$500 stipends awarded to students studying abroad for one semester, and one \$250 stipend awarded to a student studying abroad for a summer term.

How do I apply? Send an email to Beth Davis at bdavis@bellarmine.edu by **April 10, 2009** with the following information:

- Study abroad program name & location;
- Program costs/budget;
- Program dates; and
- A description of how the funds would be used and other funding sources you have available.

Only students officially accepted to a study abroad program will receive the stipend. In the event the recipient does not participate in the program, funds will be returned to Bellarmine.
