QUESTIONS TO CONSIDER WHEN LOOKING AT YOUR PATHWAYU RESULTS:

Interests

- When you think back on your experience in school, which subjects did you enjoy the most?
- Tell me about your favorite job that you've held. What did you like about it?
- What kinds of things do you do for fun?
- What kinds of career paths are going to most likely satisfy your interests?

Values

- When you think about your career options, what factors seem most important to you?
- What will you most need in a work environment in order to be satisfied?

Personality

- How would you describe your personality?
- What traits are reflected in your answer?
- How would those closest to you describe you?
- Which career paths will best allow you to “be who you are”?

Workplace Preferences

- When you think about your past jobs, what did you like or not like about those work environments?
- Imagine your ideal organization. What values does it emphasize?

Additional Reflection

- What patterns do you notice among your Career Matches?
- Which three careers from your results are you most interested in learning more about and why?
- What programs (majors, minors, level of education) do you need in order to pursue your top three careers of interest?
- Are there any careers missing from your matches that you think should be there and why?
- When you think about your ideal career, what do you imagine?
- How will you know when you've found a career path that aligns with your sense of purpose or your sense of calling?
