

LUNCH AND LEARN

LUNCH AND LEARN SESSIONS ARE BACK FOR FALL!

This Fall's Veritas Society schedule will include three Lunch and Learn sessions in October and November, designed to connect Veritas members with dynamic Louisvillians. Each program begins with lunch at noon, followed by the featured speaker. Sessions run from noon to 1:30 p.m. in the Brown Activities Center in Frazier Hall.

Friday, October 5: Dr. Mary Hums, University of Louisville Professor of Sports Administration, will speak about her leading research, teaching, and national and international speaking on the Paralympics since her involvement in the 2002 Athens Olympic Games. She will address "The Second Olympics – The Importance of the Paralympic Games."

Thursday, October 18: David Roth, Exec. Director, Kentucky Opera, will offer an update on the evolving Kentucky Opera's moves to make opera more intimate to its audiences, employ U of L and UK voice students as interns, and bring young opera composers to Louisville.

Friday, November 2: Greg Heitzman, President and CEO, Louisville Water Company, and Interim Director, Metropolitan Sewer District, will relate "Louisville Water Company and MSD -- What's Happening Now," in light of Metro Mayor Greg Fischer's charge to study a possible merger of the two utilities over the next 3-5 years.

The Lunch and Learn revival is an experiment authorized by Veritas' Board of Directors to determine if later-in-the-week sessions, when there is less competition for Bellarmine parking spaces, will be well received by members.

How to Register for Lunch and Learn: Place an "X" in the space beside the luncheon(s) you wish to attend and include this form with your Veritas Registration. Registration and payment for luncheons may be included with your Veritas course registration payment. (In other words, you do not have to write two checks or make two credit card payments.)
