For a description of the methodology used to generate this report, please refer to the Appendix.

### Undergraduate Notes

1. Per the IPEDS standard, the reporting period for each academic year corresponds to degrees awarded between July 1 of the previous calendar year and June 30 of the subsequent calendar year. For example, the 2016-2017 column consists of degrees awarded at the conclusion of three terms: Summer 2017, Fall 2017 and Spring 2018. Data is current as of the date listed at the bottom right of each page.
2. The numbers on this report are a count of unduplicated degree records. Since some undergraduate students earn multiple bachelor's degrees (e.g., B.A. and B.S.) in the same academic year, and each degree has its own primary major, these students are counted twice on pages 1-2, with a separate "Unduplicated Headcount" row indicating how many unique students completed a degree in that year. Students completing a second or third major within a single bachelor's degree program are counted once on pages 1-2 and also counted on page 3.
3. Triple majors included in this report:  
2016-2017 1 male student earned a B.A. in Accounting, Finance and Economics
4. The standalone Music Technology bachelor's program is now part of the Bachelor of Music program and is not accepting new students.
5. The Medical Laboratory Science Certificate is only offered to visiting students from IU-Southeast.
6. The RN-to-BSN bachelor's program located at Bellarmine is no longer accepting new students.
7. The Learning and Behavior Disorders second major is compulsory for all students majoring in elementary or middle grades education.
8. Before 2011-2012, secondary education was offered as a minor only. Some students completed the minor program after this change:  
2013-2014 3 women + 3 men = 6 total students  
2012-2013 7 women + 3 men = 10 total students
9. The Applied Information Technology bachelor's program is no longer accepting new students.
10. The Design, Arts and Technology bachelor's program can only be added as a second major.
11. The RN-to-BSN bachelor's program located at Bellarmine is no longer accepting new students.

### Graduate Notes

1. The Taxation (MST) program was added in the 2012-2013 academic year.
2. The Leadership in Higher Education (Ph.D.) program was added in the 2014-2015 academic year.
3. The Education Specialist (Ed.S.) program was formerly called the Principalship program.
3. Prior to Spring 2014, the MAT in Literacy was listed as an MAT in Reading and Writing. Those completing either degree are counted together in the Literacy Specialist category.
4. The Analytics (MSA) program was added in the 2014-2015 academic year.
5. The Medical Laboratory Science (MHS) program was added in the 2016-2017 academic year.
