ABOUT BELLARMINE

Our Mission: We are an inclusive Catholic university that educates students—mind, body, and spirit—for meaningful lives, rewarding careers, ethical leadership, and service to improve the human condition.

Our Vision: We will become the leading Catholic university in the South by embracing innovation and creativity, forging new and mutually beneficial partnerships, intentionally diversifying curricula and community, and providing a distinctive and transformative student experience.

Our Values: Bellarmine University finds its Catholic identity in the inclusive spirit of Thomas Merton. We believe in the search for the true self, the interconnectedness of life and the solidarity of the human spirit, which transcends ethnic, religious, and social divisions. We educate the whole person to realize their highest potential as part of an interconnected world. Our values are Academic Excellence, Intrinsic Dignity, Social Responsibility, Integrity, Hospitality, and Stewardship.

PRAYER IN HONOR OF ST. ROBERT BELLARMINE

O God, who did endow Blessed Robert, your bishop and doctor,
with wondrous learning and strength to illuminate the message of salvation
and to bear heroic witness to the virtues of love and poverty, grant through his
merits and intercession that we may grow in the love of truth, and that the hearts
of all may be drawn to the unity of your Church. Through Christ our Lord.

ALMA MATER

Words: Joseph J. McGowan, 1992

Music: American Folk Song

Arr.: Stacy Simpson

In the City of the Falls, high upon a hill
Stands Alma Mater Bellarmine, the pride of Louisville
Her scarlet, silver colors true, shine brightly in the sun
And warm our hearts and memories, your daughters and sons.

The hopes and dreams and values born in our Kentucky home
Will stir our hearts and minds and lives wherever we may roam
And as we grow, dear Bellarmine, in the love of truth
Alma Mater Bellarmine, so grows our love for you.

HISTORY & TRADITION

Bellarmino University opened on October 3, 1950, under the sponsorship of the Roman Catholic Archdiocese of Louisville and with the special assistance of the Conventual Franciscan Fathers. Bellarmine was one of the first schools in the Commonwealth of Kentucky open to all races. The first 42 graduating seniors, “The Pioneer Class,” received their diplomas in 1954.

In 1968, Bellarmine merged with Ursuline College, a Catholic college for women established by the Ursuline Sisters of Louisville in 1938. The merger created a coeducational student body, and Bellarmine became independent with a self-perpetuating governing board. In 2000, the Board of Trustees voted to change the name of the institution from Bellarmine College to Bellarmine University to reflect its true status as a comprehensive master’s institution.

Bellarmino University is made up of Bellarmine College of Arts and Sciences, the College of Health Professions (including the Donna and Allan Lansing School of Nursing and Clinical Sciences and the School of Movement and Rehabilitation Sciences), the W. Fielding Rubel School of Business, the Annsley Frazier Thornton School of Education, and the School of Continuing and Professional Studies. Bellarmine offered its first graduate program, the Master of Business Administration, in 1975. Today, Bellarmine offers numerous graduate and doctoral programs in business, communication, education and health care.

Bellarmino University is situated on approximately 175 acres of gently rolling terrain that slopes down to Louisville’s historic Beargrass Creek. The campus currently consists of more than 40 buildings encompassing nearly 1 million square feet of space. Many of Bellarmine’s buildings—most notably Our Lady of the Woods Chapel, W.L. Lyons Brown Library, Anniversary Hall, Norton Health Science Center and the Siena residence hall complex—are recognized for their outstanding architecture.

Bellarmino University was founded in the rich tradition of Catholic education. This tradition emphasizes academic excellence, encourages a vigorous intellectual climate which affirms the compatibility of faith and reason, and nurtures a campus culture and community which reflect basic Judeo-Christian values including concern for each individual as a whole person and service to others. As the premier independent Catholic university in the South, Bellarmine remains firmly grounded in its mission to prepare students to make a living and a life worth living.

BELLARMINE DEGREES

Bellarmino University offers doctoral degrees in Education, Leadership in Higher Education, Education and Social Change, Physical Therapy, Nursing Practice, and Health Professions Education; an Educational Specialist Degree in Instructional Leadership and School Administration; master’s degrees in Athletic Training, Business Administration, Communication, Digital Media, Education, Health Science, Nursing, and Teaching; Bachelor of Arts, Bachelor of Health Science, Bachelor of Music, Bachelor of Science and Bachelor of Science in Nursing. The requirements for these degrees reflect the university’s emphasis on the liberal arts.

HISTORY & TRADITION

ACADEMIC REGALIA

Bellarmino University graduates wear academic regalia in the time-honored traditions of higher learning. The bachelor's gown has a closed front and long, pointed open sleeves hanging nearly to the knees. These gowns are traceable to an ancient monastic choir garb known as the cuculla. The doctorate and master's gowns have an opening at the level of the wrist to free the hands. The portion of the sleeve below the opening is straight at the back and has, in front, a long semi-circular cut-out.

Symbolic of the degree is the academic hood made of the same material as the gown. The master's hood is 42 inches in length with a three-inch velvet border. Doctor's degree hoods are four feet in length and have side panels that create a three-dimensional effect. The hood is silk-lined in the colors of the institution: scarlet and silver. The color of the velvet strip indicates the field of study in which the degree was earned. Bellarmino hoods are trimmed in golden yellow of science, apricot of nursing, light blue of education, drab of business administration, sage of physical therapy, crimson of communication and royal blue of philosophy.

The appropriate cap for all degrees is the familiar head piece known as the mortar board. It is adorned with a tassel worn hanging to the left of the face.

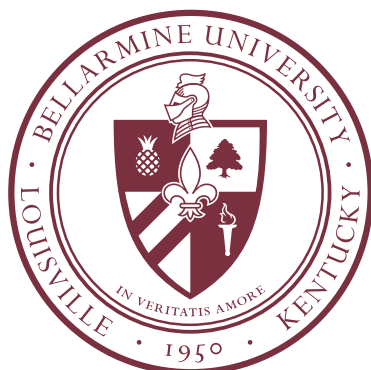

In addition to their academic regalia, graduates who have achieved special honors or distinctions may wear sashes, cords or medallions that signify their accomplishments.

LATIN HONORS

Undergraduate students who have earned Latin Honors are distinguished by the medallions worn at the front of their gowns.

A medallion with a scarlet ribbon represents a *Cum Laude* (GPA 3.50-3.69) graduate. A medallion with a silver ribbon represents a *Magna Cum Laude* (GPA 3.70-3.84) graduate. A medallion with a gold ribbon represents a *Summa Cum Laude* (GPA 3.85-4.00) graduate.

THE BELLARMINE SEAL

Bellarmino's official seal consists of the coat of arms and university motto framed within three circles, the band of which states the institution's name, Bellarmine University; location, Louisville, Kentucky; and founding date, 1950.

The shield has four quadrants created by a cross, emblematic of the university's founding in 1950 by the Archdiocese of Louisville in the distinguished Catholic tradition of higher education, the oldest continuing tradition of higher education in the history of the western world. Bellarmine continues to be inspired by the excellent values in its founding Catholic tradition, in the inclusive spirit of Thomas Merton.

The coat of arms contains several symbols. The **PINEAPPLE** is the traditional symbol of hospitality.

The **STRIPES** represent five important values in the Catholic tradition and the Bellarmine educational experience: the intrinsic dignity and value of every human being; our responsibility to educate the whole person—mind, body, heart and soul; the mystery, interconnectedness and ongoing nature of God's creation and "the hidden wholeness of things"; the importance of both faith and reason as ways of seeking the truth; and the call to each of us to develop our gifts and abilities to the fullest to give glory to God, serve those in need and make the world a better place.

The **FLEUR DE LIS** is the emblem of the city of Louisville.

The Bellarmine motto is *IN VERITATIS AMORE*, "In the love of truth."

At the top center of the shield appears the **HELMET** of the Bellarmine Knight mascot, established by founding President Alfred Horrigan, who was enchanted with the Arthurian legend and the quest for the Holy Grail.

The **URSULA LAUREL TREE**, from the Ursuline College coat of arms, symbolizes Bellarmine's participation in the legendary Ursuline education tradition (the schools merged in 1968).

The **TORCH** represents the light of truth and love.

THE UNIVERSITY MACE

Bellarmino, the academic mace of Bellarmine University, symbolizes the office and the authority of the President of the University, and descends from regal scepters and medieval battle maces. In academic procession, the mace is carried before the President.

Bellarmino University Board of Trustees Chair Emeritus Owsley Brown Frazier commissioned Louisville artist Scott Boyer to design a new mace to celebrate the university's new name and seal.

The mace represents a diploma scroll, formed into a torch of light, a traditional symbol of the illuminating power of education as it casts out the darkness of ignorance with the light of truth and knowledge.

Prominent on the mace is the official seal of Bellarmine University.

The heart of the mace houses a Celtic cross, symbolizing the Catholic origin and institutional identity of Bellarmine University. Near the cross appears an Ursula Laurel tree, the symbol of the Ursuline Sisters and Ursuline College which merged with Bellarmine in 1968, bringing the university into the Ursuline tradition of teaching excellence in Catholic higher education.

At the very top of the rolled scroll appear fleurs de lis, the symbol of the great City of Louisville, proud home of Bellarmine University. Finally, at the base of the torch is a representation of a pineapple, the traditional symbol of hospitality and in this case, of the legendary hospitality of the House of the university's patron saint, Cardinal Robert Bellarmine, S.J., and therefore of Bellarmine University itself.

The mace is 36 inches long and weighs 8 lbs. Its artistic beauty is enhanced by gold plating over cast aluminum.

CITATION FOR HONORARY DEGREE JOHN FRANCIS LANSING '09

Bellarmine University is pleased to recognize and honor alumnus and former Trustee John Francis Lansing, president and CEO of NPR, for his decades-long advocacy for a free and independent media and his unwavering support of his alma mater.

Mr. Lansing, a veteran cable television and government broadcast executive, is passionate about public service and the media's role in a strong democracy. At NPR, which he joined in October 2019, he oversees an iconic news organization with a nationwide network of journalists and 17 inter-

national bureaus. NPR draws more than 28 million listeners each week and 40 million unique monthly visitors to its website and is the nation's leading producer of podcasts.

Mr. Lansing's top priority is to increase diversity, equity and inclusion at the nearly 50-year-old radio network so that it better reflects all of America and appeals to a more diverse audience. He also plans to increase support for the local journalism of NPR's member stations and create regional newsrooms to support investigative journalism projects.

"When I think of NPR and I think of the member stations collectively, I think really of journalism as a public service, not tied to a profit motive," he told NPR News when he took the helm. He defined NPR's mission as "serving the public with information and an excellence and quality about it that makes it 'must see' on a variety of platforms."

Before he moved to NPR, Mr. Lansing was the first CEO of the U.S. Agency for Global Media (USAGM), the government agency that oversees Voice of America, Radio and Television Martí and Radio Free Europe/Radio Liberty, among others. He made his mark in that role by vociferously defending a free press.

"Governments around the world are increasingly cracking down on the free flow of information; silencing dialogue and dissent; and distorting reality," Mr. Lansing said in a speech to the Media for Democracy Forum. "The result, I believe, is a war on truth."

Prior to USAGM, Mr. Lansing served for two years as the president and CEO of a cable trade group called the Cable and Telecommunications Association for Marketing. He also worked for nearly 20 years at Scripps, including eight years as president of Scripps Networks.

CITATION FOR HONORARY DEGREE JOHN FRANCIS LANSING '09

Mr. Lansing graduated from Bellarmine University in 2009 after a journey that spanned nearly 30 years. He arrived on the campus in 1981 and worked at WAVE-TV while pursuing his degree. In 1985, just shy of completing his degree, he left to take the position of news director at a television station in Grand Rapids, Mich. After two years in Michigan, he became assistant news director and news director at KARE-TV in Minneapolis, then news director at WBBM-TV in Chicago. Following Chicago, Mr. Lansing held leadership positions for stations in Cleveland and Detroit before joining the E.W. Scripps Co. in 2000.

In May 2008, Mr. Lansing decided to return to Bellarmine to finish his degree, earning a BA in Communications in May 2009. In 2010, he was named to the Bellarmine University Gallery of Distinguished Graduates.

Mr. Lansing has served as an advisor and fellow of Bellarmine's Institute for Media, Culture & Ethics. He was a member of the Bellarmine Board of Trustees from 2010-17, including a term as vice-chair from 2014-16. He has also been a visiting faculty member at the Poynter Institute for Media Studies in St. Petersburg, Fla., one of the nation's top schools for professional journalists.

In May 2021, he was inducted into the Kentucky Journalism Hall of Fame, which honors high-achieving journalists who are either Kentucky natives or who have spent a significant portion of their careers working for Kentucky media organizations.

At Bellarmine University, we challenge our students to be critical thinkers and to ask tough questions, and we support them as they become problem-solvers with the communication and collaboration skills to turn their ideas into reality.

Throughout his career, Mr. Lansing has served the public by asking tough questions and providing information that people need to make informed decisions about issues that affect their lives. He has held himself to a standard of excellence that our university honors and celebrates.

Bellarmino University is honored, therefore, to award on this, the 7th day of May in the year 2021, the degree of Doctor of Humane Letters, *Honoris Causa*, to John Francis Lansing '09.
