ABOUT BELLARMINE

Our Mission: We are an inclusive Catholic university that educates students—mind, body, and spirit—for meaningful lives, rewarding careers, ethical leadership, and service to improve the human condition.

Our Vision: We will become the leading Catholic university in the South by embracing innovation and creativity, forging new and mutually beneficial partnerships, intentionally diversifying curricula and community, and providing a distinctive and transformative student experience.

Our Values: Bellarmine University finds its Catholic identity in the inclusive spirit of Thomas Merton. We believe in the search for the true self, the interconnectedness of life and the solidarity of the human spirit, which transcends ethnic, religious, and social divisions. We educate the whole person to realize their highest potential as part of an interconnected world. Our values are Academic Excellence, Intrinsic Dignity, Social Responsibility, Integrity, Hospitality, and Stewardship.

PRAYER IN HONOR OF ST. ROBERT BELLARMINE

O God, who did endow Blessed Robert, your bishop and doctor,
with wondrous learning and strength to illuminate the message of salvation
and to bear heroic witness to the virtues of love and poverty, grant through his
merits and intercession that we may grow in the love of truth, and that the hearts
of all may be drawn to the unity of your Church. Through Christ our Lord.

ALMA MATER

Words: Joseph J. McGowan, 1992

Music: American Folk Song

Arr.: Stacy Simpson

In the City of the Falls, high upon a hill
Stands Alma Mater Bellarmine, the pride of Louisville
Her scarlet, silver colors true, shine brightly in the sun
And warm our hearts and memories, your daughters and sons.

The hopes and dreams and values born in our Kentucky home
Will stir our hearts and minds and lives wherever we may roam
And as we grow, dear Bellarmine, in the love of truth
Alma Mater Bellarmine, so grows our love for you.

HISTORY & TRADITION

Bellarmino University opened on October 3, 1950, under the sponsorship of the Roman Catholic Archdiocese of Louisville and with the special assistance of the Conventual Franciscan Fathers. Bellarmine was one of the first schools in the Commonwealth of Kentucky open to all races. The first 42 graduating seniors, “The Pioneer Class,” received their diplomas in 1954.

In 1968, Bellarmine merged with Ursuline College, a Catholic college for women established by the Ursuline Sisters of Louisville in 1938. The merger created a coeducational student body, and Bellarmine became independent with a self-perpetuating governing board. In 2000, the Board of Trustees voted to change the name of the institution from Bellarmine College to Bellarmine University to reflect its true status as a comprehensive master’s institution.

Bellarmino University is made up of the Bellarmine College of Arts and Sciences, the College of Health Professions (including the Donna and Allan Lansing School of Nursing and Clinical Sciences and the School of Movement and Rehabilitation Sciences), the W. Fielding Rubel School of Business, and the Annsley Frazier Thornton School of Education. Bellarmine offered its first graduate program, the Master of Business Administration, in 1975. Today, Bellarmine offers numerous graduate and doctoral programs in business, communication, education and healthcare.

Bellarmino University is situated on approximately 175 acres of gently rolling terrain that slopes down to Louisville’s historic Beargrass Creek. The campus currently consists of more than 40 buildings encompassing nearly 1 million square feet of space. Many of Bellarmine’s buildings—most notably Our Lady of the Woods Chapel, W.L. Lyons Brown Library, Anniversary Hall, Norton Health Science Center and the Siena residence hall complex—are recognized for their outstanding architecture.

Bellarmino University was founded in the rich tradition of Catholic education. This tradition emphasizes academic excellence, encourages a vigorous intellectual climate which affirms the compatibility of faith and reason, and nurtures a campus culture and community which reflect basic Judeo-Christian values including concern for each individual as a whole person and service to others. As the premier independent Catholic university in the South, Bellarmine remains firmly grounded in its mission to prepare students to make a living and a life worth living.

BELLARMINE DEGREES

Bellarmino University offers doctoral degrees in Education, Leadership in Higher Education, Education and Social Change, Physical Therapy, Nursing Practice, and Health Professions Education; an Educational Specialist Degree; master’s degrees in Athletic Training, Business Administration, Communication, Digital Media, Education, Health Science, Nursing, and Teaching; Bachelor of Arts, Bachelor of Health Science, Bachelor of Music, Bachelor of Science and Bachelor of Science in Nursing. The requirements for these degrees reflect the university’s emphasis on the liberal arts.

HISTORY & TRADITION

ACADEMIC REGALIA

Bellarmino University graduates wear academic regalia in the time-honored traditions of higher learning. The bachelor’s gown has a closed front and long, pointed open sleeves hanging nearly to the knees. These gowns are traceable to an ancient monastic choir garb known as the cuculla. The doctorate and master’s gowns have an opening at the level of the wrist to free the hands. The portion of the sleeve below the opening is straight at the back and has, in front, a long semi-circular cut-out.

Symbolic of the degree is the academic hood made of the same material as the gown. The master’s hood is 42 inches in length with a three-inch velvet border. Doctor’s degree hoods are four feet in length and have side panels that create a three-dimensional effect. The hood is silk-lined in the colors of the institution: scarlet and silver. The color of the velvet strip indicates the field of study in which the degree was earned. Bellarmine hoods are trimmed in golden yellow of science, apricot of nursing, light blue of education, drab of business administration, sage of physical therapy, crimson of communication and royal blue of philosophy.

The appropriate cap for all degrees is the familiar head piece known as the mortar board. It is adorned with a tassel worn hanging to the left of the face.

In addition to their academic regalia, graduates who have achieved special honors or distinctions may wear sashes, cords or medallions that signify their accomplishments.

LATIN HONORS

Undergraduate students who have earned Latin Honors are distinguished by the medallions worn at the front of their gowns.

A medallion with a scarlet ribbon represents a *Cum Laude* (GPA 3.50-3.69) graduate. A medallion with a silver ribbon represents a *Magna Cum Laude* (GPA 3.70-3.84) graduate. A medallion with a gold ribbon represents a *Summa Cum Laude* (GPA 3.85-4.00) graduate.

THE BELLARMINE SEAL

Bellarmino's official seal consists of the coat of arms and university motto framed within three circles, the band of which states the institution's name, Bellarmine University; location, Louisville, Kentucky; and founding date, 1950.

The shield has four quadrants created by a cross, emblematic of the university's founding in 1950 by the Archdiocese of Louisville in the distinguished Catholic tradition of higher education, the oldest continuing tradition of higher education in the history of the western world. Bellarmine continues to be inspired by the excellent values in its founding Catholic tradition, in the inclusive spirit of Thomas Merton.

The coat of arms contains several symbols. The **PINEAPPLE** is the traditional symbol of hospitality.

The **STRIPES** represent five important values in the Catholic tradition and the Bellarmine educational experience: the intrinsic dignity and value of every human being; our responsibility to educate the whole person—mind, body, heart and soul; the mystery, interconnectedness and ongoing nature of God's creation and "the hidden wholeness of things"; the importance of both faith and reason as ways of seeking the truth; and the call to each of us to develop our gifts and abilities to the fullest to give glory to God, serve those in need and make the world a better place.

The **FLEUR DE LIS** is the emblem of the city of Louisville.

The Bellarmine motto is *IN VERITATIS AMORE*, "In the love of truth."

At the top center of the shield appears the **HELMET** of the Bellarmine Knight mascot, established by founding President Alfred Horrigan, who was enchanted with the Arthurian legend and the quest for the Holy Grail.

The **URSULA LAUREL TREE**, from the Ursuline College coat of arms, symbolizes Bellarmine's participation in the legendary Ursuline education tradition (the schools merged in 1968).

The **TORCH** represents the light of truth and love.

THE UNIVERSITY MACE

Bellarmino, the academic mace of Bellarmine University, symbolizes the office and the authority of the President of the University, and descends from regal scepters and medieval battle maces. In academic procession, the mace is carried before the President.

Bellarmino University Board of Trustees Chair Emeritus Owsley Brown Frazier commissioned Louisville artist Scott Boyer to design a new mace to celebrate the university's new name and seal.

The mace represents a diploma scroll, formed into a torch of light, a traditional symbol of the illuminating power of education as it casts out the darkness of ignorance with the light of truth and knowledge.

Prominent on the mace is the official seal of Bellarmine University.

The heart of the mace houses a Celtic cross, symbolizing the Catholic origin and institutional identity of Bellarmine University. Near the cross appears an Ursula Laurel tree, the symbol of the Ursuline Sisters and Ursuline College which merged with Bellarmine in 1968, bringing the university into the Ursuline tradition of teaching excellence in Catholic higher education.

At the very top of the rolled scroll appear fleurs de lis, the symbol of the great City of Louisville, proud home of Bellarmine University. Finally, at the base of the torch is a representation of a pineapple, the traditional symbol of hospitality and in this case, of the legendary hospitality of the House of the university's patron saint, Cardinal Robert Bellarmine, S.J., and therefore of Bellarmine University itself.

The mace is 36 inches long and weighs 8 lbs. Its artistic beauty is enhanced by gold plating over cast aluminum.

CITATION FOR HONORARY DEGREE MICHAEL HOBBS '71/'83 MBA

Bellarmino University is pleased to recognize and honor Trustee Michael Hobbs '71/'83 MBA for his leadership at his alma mater and his commitment to helping the disadvantaged in our community.

Mr. Hobbs' 50-year career in glass manufacturing spanned every facet of the industry—retail, wholesale, manufacturing and fabrication—and culminated in his ownership and service as Chief Executive Officer of Engineered Glass Products from 1995 to 2016, when he retired.

Under his leadership, the company grew significantly and pioneered new technologies. He created a culture of continuous improvement, modernized the corporate structure and processes and transformed the business into a global market supplier.

In retirement, Mr. Hobbs is using his business acumen to mentor and advise entrepreneurs of color and small-business owners and is involved with several charitable organizations focused on providing educational opportunities and professional development to youth without economic or social advantages.

Mr. Hobbs has generously supported Bellarmine and its students for more than 40 years. He was instrumental, for example, in the creation of the nation's first endowed physical therapy service-learning clinic, the Michael E. Hobbs Service-Learning Clinic at Bellarmine University.

More recently, he has supported Bellarmine's Bridge to BU program, a transformative and results-oriented college readiness summer program for conditionally admitted students.

These students live on campus for four weeks and take three credit-bearing courses focused on writing, math, and academic success strategies. Upon successful completion of the program, the students receive full admission to Bellarmine.

Programs like these greatly increase students' opportunities for retention, persistence and graduation while preparing them for successful lives and careers.

Mr. Hobbs's generous gift to Bridge to BU represents its single largest source of support from an individual donor, enabling Bellarmine to offer this transformational program at no cost to participants and at no cost to the university.

He also helped to lead fundraising for the Class of 1971 Endowed Scholarship Fund in the year of the class's 50th anniversary year. The scholarships are earmarked for first-year students who demonstrate financial need, with preference given to a first-generation student, one who will be the first in his/her family to obtain a college degree.

Mr. Hobbs was excited to be part of the effort, saying, "I feel that to whom much is given, much is expected."

At Bellarmine University, we cultivate grounded citizens who contribute to and advocate for the public good, environmental sustainability, global understanding and informed civic engagement. Care for others and for our community characterizes Bellarmine graduates in general, and Mr. Hobbs in particular.

He is a member of the Bellarmine University Alumni Association's Gallery of Distinguished Graduates and was named Alumnus of the Year in 2010.

Now, Bellarmine University is honored to award on this, the 11th day of May in the year 2024, the degree of Doctor of Humane Letters, *Honoris Causa*, to Michael Hobbs.

CITATION FOR HONORARY DEGREE THE MOST REVEREND SHELTON J. FABRE, ARCHBISHOP OF LOUISVILLE

Bellarmino University is pleased to recognize and honor the Most Reverend Shelton J. Fabre for his leadership of the Archdiocese of Louisville and his respect for the human dignity of each and every person.

Pope Francis appointed Archbishop Fabre as the 10th Bishop and fifth Archbishop of the Archdiocese of Louisville on February 8, 2022. He was installed as Archbishop on March 30, 2022.

Prior to that, he had served as the Bishop of the Diocese of Houma-Thibodaux in his home state of Louisiana and as Auxiliary Bishop of New Orleans, where he helped to rebuild the Archdiocese of New Orleans after the devastation of Hurricane Katrina.

He attended Saint Joseph Seminary College in St. Benedict, Louisiana, graduating with a Bachelor of History degree in 1985, and was then sent to the American College of Louvain in Leuven, Belgium. He received additional priestly formation there while studying at the Katholieke Universiteit te Leuven. He was awarded a Bachelor of Religious Studies degree in 1987 and a Master of Religious Studies degree in 1989 from Katholieke Universiteit.

He was ordained a priest for the Diocese of Baton Rouge on August 5, 1989.

From 2018 to 2023, Archbishop Fabre served as the chair of the United States Conference of Catholic Bishops' (USCCB) Ad Hoc Committee Against Racism and led the writing of the U.S. Bishops' most recent pastoral letter on racism, *Open Wide Our Hearts: The Enduring Call to Love*, which was published in 2018.

He currently is a bishop-consultor on the USCCB Committee of Domestic Justice and Human Development and is a member of the USCCB Committee on Laity, Marriage, and Family Life. He also serves on the Board of Directors of Catholic Relief Services, on the Board of Trustees of the National Black Catholic Congress, and on the Board of the Pontifical Mission Societies in the United States.

As one of only six active Black bishops in the United States, Archbishop Fabre is a leader of racial justice efforts in the U.S. Church. Upon his appointment in Louisville, he said, "I bring a desire to advance the kingdom of God and get all of us in our racial diversity to understand that we are stronger when we are together. And also, to recognize that at the very heart is a call to respect the human life and human dignity of each and every person."

Bellarmino is an inclusive Catholic university that educates students in mind, body and spirit for meaningful lives, rewarding careers, ethical leadership and service to improve the human condition.

For more than 70 years, the university has stood as an enduring Catholic presence in Louisville and in the surrounding region, focusing on the needs of this area and our world through dialogue with people representing a wide spectrum of systems of belief and standing decidedly for the dignity of every human being.

Bellarmino University is honored, therefore, to award on this, the 11th day of May in the year 2024, the degree of Doctor of Humane Letters, *Honoris Causa*, to Archbishop Shelton J. Fabre.
