A student who finds it necessary to withdraw from the University after registration should provide written notification to the Office of the Registrar. The effective date of withdrawal is the date on which the withdrawal is received in the Office of the Registrar.

This date is used in calculating any applicable tuition reduction/refund.

Students who fail to comply with this policy will receive an F for all courses for which they have registered and will be responsible for corresponding tuition and fees.

If a student has been notified by clinical faculty that he/she has failed the clinical portion of the course, the student will receive an F in the course and will not be allowed to withdraw.

All fees are non-refundable.
