How to sign up for MPP:

Login via one of the methods above. Choose **PAYMENT PLANS** where you will be asked to enter in a **contract amount** that will automatically be divided by the number of eligible months on your plan.

To find your estimated balance due, you will follow the steps above to access the One Payment Gateway where you can select to view your most recent e-bill (under **STATEMENTS**). If a portion of your balance is being covered by an outside scholarship, work-study or some other method, deduct that amount when figuring out how much to use for your contract amount.

Once your plan has been created, you have the **option to enroll in auto-payments** where the amount due is drafted from your bank account on the 15th of each month.

You may also log in to pay toward your payment plan each month by selecting **Make a Payment**. Make sure to delete any pre-populated Student Account Balance line items so that you are only paying the Payment Plan amount. These are in two different balance lines.

You may pay with VISA, MasterCard, American Express, or Discover (2.75% fee) or with an electronic check/bank account (no fee).

- Payments are due on the 15th of each month
- \$40 Enrollment Fee (per semester)
- Contract amount can be adjusted by contacting the Office of Student Accounts (studentaccounts@bellarmine.edu or 502.272.8264)
- Interest free (payments must be made timely and to cover semester balance)
- We offer a payment plan for Fall semester and Spring semester SEPARATELY. You must sign up before the tuition due date for the current semester. *Note: This is not a full year payment plan*
- Payments must be made **ONLINE ONLY** to be sure they are applied to the plan correctly.
