

ROTC Air Force Tuition Policy

Effective beginning Fall 2021, ROTC Air Force will be billed \$9,000 per semester as permitted by ROTC Air Force guidelines after the add/drop period for the term. Bellarmine will cover the cost of the standard meal plan and a double occupancy room. Students will be responsible for any additional Residence Hall fees. Students receiving ROTC Air Force are not eligible for Bellarmine University institutional aid. This policy is applicable to all undergraduate, graduate and post-baccalaureate students receiving ROTC Air Force benefits during the Fall and Spring semesters.

Summer is excluded from ROTC Air Force benefits.
