PLAY THERAPY WORKBOOK: ESSENTIALS AND BEYOND

This course and workbook will provide contemporary information for those wishing to learn the basics, as well as the intermediaries of play therapy. A wide population of mental health professionals, teachers and others working with families and children will value this comprehensive book. The manual is applicable to both the well-seasoned and budding child therapists. The text is useful to parents who want to understand a child's inner emotional world to best help them to work through their struggles.

INSTRUCTOR: **Suzette Turner-Clark** is a Licensed Clinical Social Work Supervisor with a family therapy background providing therapeutic counseling services for individual adults, couples, young people, families and groups. As an LCSW-S, Registered Play Therapy Supervisor and Past-President of the Kentucky Association for Play Therapy, she specializes in working with children and families
