

Bellarmino Pathways

Knights Lighting the Path for College Success

The Bellarmine Pathways: Knights Lighting a Path for College mentor program focuses on connecting current Bellarmine students with Kentucky middle and high school students to help share their lived experiences of navigating student success life skills. Bellarmine students will lead virtual and in-person sessions with groups of 10-20 middle and high school students to prepare them with the skills necessary to succeed in college.

MENTOR

Bellarmino students will mentor middle and high school students in:

- » Health and Wellness
- » Financial Literacy
- » Identity
- » Student Involvement
- » Communications
- » Study Skills and Time Management
- » Major and Career Exploration
