## **THE MICHAEL MINGER LIFE SAFETY ACT**

The **Michael Minger Life Safety Act, KRS 164.948 to 164.9489** is a Kentucky state law that requires public colleges and universities as well as private institutions licensed by the Kentucky Council on Postsecondary Education (CPE) to report campus crimes to their employees, students and the public and to report annually to the Council on Postsecondary Education.

Campus crime log - definition at KRS 164.9481(1): means the daily log maintained by an institution and developed by the council consistent with the provisions. An institution shall maintain a campus crime log as required by KRS 164.9481(1)

Campus Security Authority – definition at KRS 164.948(2): means campus police, security officers, and any official at a postsecondary education institution who has significant responsibility for student and campus activities, including student discipline, student housing, student judicial affairs, and student life administration. Professional mental health, pastoral, and other licensed counselors when functioning in that capacity are not considered campus security authorities.

As this definition relates to Bellarmine University Campus Security authorities (CSA) would include the Director of Public Safety, Public Safety officers and staff and any official of the university who has significant responsibility for student and campus activities including student discipline, student housing, student judicial affairs and student life. Designated university officials are: President, Vice President for Business Affairs, Vice President for Academic and Student Life, Dean of Students, Assistant Vice President for Student Affairs, Assistant Dean of Students, Director of Residence Life, Assistant Director of Residence Life, Athletic Director, Basketball Coach, Baseball Coach, Volleyball Coach, Cross Country Coach, Track & Field Coach, Softball Coach, Field Hockey Coach and any volunteer coaches. The president or his/her designee may identify other officials if necessary.

### **How to Prevent Crimes:**

Being on a college campus is an exciting experience but it is important to prevent yourself from becoming more vulnerable than necessary or putting yourself into potentially harmful situations. The following tips can help you to avoid possible dangers.

1. **Do not let anyone into your residence hall, dorm room, apartment or house door that you do not know.** Your personal safety is of the utmost importance. Do not allow a stranger to make you feel guilty about taking safety precautions or intimidate you into compromising your safety.
2. **Make sure your room door is locked at ALL times.** A simple precaution to protect your personal items.
3. **Be careful with your keys.** Do not loan your keys (room or car) out to anyone. If you lose your dorm keys, pay the fine and get a new set.
4. **If you have a car, lock it.** It seems so easy to remember, yet it is so easy to forget. Also, if you live on campus, check on your car multiple times throughout the week.
5. **If you have a bike, properly secure it.** Secure bikes through the wheel and frame with a high quality lock; the U-Lock is recommended.
6. **Watch your belongings.** Never leave items unattended like your backpack, laptop or cell phone, even if it is just for a minute. Make it a habit to take these valuables with you.
7. **Walk with a friend when out late at night.** There is always safety in numbers. If you do not have any friends available, please call the Office of Public Safety for an escort.
8. **Know the location of the nearest emergency phones on campus.** There are a number of Blue Phones and Yellow Phones on campus. If needed, please use them in the event of an emergency; they will ring directly to the Office of Public Safety.
9. **If you see something, say something.** If you see something that looks suspicious or dangerous, please contact the Office of Public Safety immediately. If your life (or the life of another) is in imminent danger, call 911 then call the Office of Public Safety.
10. **Stay alert!** Pay attention to what is going on around you and avoid blocking sounds or using distracting devices such as a cell phone. Your ears and eyes are your best defense to being taken by surprise.

### **How to Report a Crime**

All students, faculty and staff members within the Bellarmine community are strongly encouraged to report all crimes and safety related issues accurately and promptly. For immediate assistance, dial 911 and then the Office of Public Safety. It is important to report these crimes for investigations, making necessary timely warnings or if assistance is needed from local law enforcement agencies and other first responders. You can reach the Office of Public Safety on any campus telephone at the four-digit number 7777. Off-campus callers can reach The Office of Public Safety at 502.272.7777. The Office of Public Safety is located on the ground floor of the Centro Treece Hall in CNTH-054. The campus is equipped with eleven outdoor emergency blue phones that ring into the Office of Public Safety automatically when activated. Pressing the red button initiates an emergency call. The Office of Public Safety does bi-weekly testing on the emergency blue phones. Courtesy phones are free of charge and located in the lobbies or inside public areas of most university buildings. Students and employees can use these accessible telephones to call the Office of Public Safety. In addition, you may report a crime to any Campus Security Authority (CSA).

### **Anonymous Reporting**

Those within the Bellarmine community may voluntarily and anonymously report crimes to the Office of Public Safety at [www.bellarmino.edu/security/report](http://www.bellarmino.edu/security/report). If a student, faculty or staff member is aware of behaviors and/or conditions that may be harmful to other student; they should also contact the Dean of Students at 502.272.8150. With this information, the university can keep accurate records of the number of incidents involving students, determine where there may be a pattern of crime with regard to a

particular location, method, or assailant, and alert the university community of potential danger when necessary. Reports filed in this manner will only be counted and disclosed in the annual crime statistics for the university.
