CALL FOR FACULTY PROPOSALS

The Ethics & Social Justice Center seeks proposals for our faculty research initiative. We need to get the word out to the Bellarmine community about what faculty are doing! Faculty colloquies provide a space to exchange ideas, foster student engagement, and promote learning across the university. Please apply for this great opportunity to share your research and your community-engaged scholarship with students and your colleagues!

Eligibility: All full and part-time faculty are encouraged to apply. Colloquies may be in-person or virtual.

Faculty will receive a \$100 honorarium for their participation.

The deadline for proposals is Friday, October 10, 2025.
Acceptances will be sent out in late October.
Talks will be scheduled for fall 2025 and spring 2026.
