Enforcement Authority_____

The mission of Bellarmine University's Office of Public Safety is to ensure a safe living, working and learning environment while being sensitive to the needs of a diverse community. We are committed to achieving the highest standards of professionalism and customer service while being dedicated to fostering cooperative relationships with the Bellarmine community. We are committed to continually striving for excellence through professionalism, collaboration through understanding the needs of the community and exceeding their expectations. Our goals are to become an elite community-based public safety department in higher education; provide highly visible, proactive patrols on our campus to protect life and property; respond in a timely manner to reported incidents and other community needs; be approachable and resourceful to all faculty, staff, and students through practicing tolerance, patience, and compassion; and strive to make a positive difference in everything we do.

The Office of Public Safety provides security services to the university in order to maintain a safe environment. Public Safety operates 24 hours a day, 7 days a week, monitoring the campus through a series of automobile and foot patrols and video system. The Office of Public Safety has a security force

of up to 18 non-sworn personnel trained to administer CPR and first aid including the use of defibrillators stationed in campus buildings and in the security vehicle.

Relationship with Law Enforcement Agencies_____

The Office of Public Safety works closely with the Louisville Metro Police Department (LMPD), Louisville Metro Emergency Services and the Kentucky State Emergency Management Agency. Bellarmine doesn't currently have a working relationship with any federal law enforcement agencies. The Director of the Office of Public Safety regularly receives information from LMPD officials and discusses common crime problems and criminal activity on and near campus. The Office of Public Safety may aid local law enforcement agencies when they are investigating a university student or employee; however, there is no MOU in place regarding the investigations of alleged criminal offenses. LMPD is the agency having jurisdiction. The Office of Public Safety will aid agencies regarding incidents not related to the Bellarmine community, as needed. There are no non-campus student organizations officially that are recognized by Bellarmine University that require monitoring and recording through local police agencies for criminal activities.

The Office of Public Safety is a non-sworn security office that has no arrest authority, law enforcement or police powers in the geographic areas around campus. The Office of Public Safety has a standing Memorandum of Understanding with Louisville Metro Emergency Services for a Satellite User Agreement which allows Public Safety Officers to receive vehicle information.

Section 2: Description of Campus Safety and Security Information Programs.

Programs to Promote Crime Prevention and Campus Safety Awareness_____

Bellarmine University offers several programs to educate the community to ensure a safe living, working and learning environment. The Office of Public Safety maintains comprehensive crime prevention and campus safety awareness programs. Working with the Director of Public Safety, the Public Safety Coordinator develops and monitors procedures and programs to promote safety, security, and crime prevention. A common theme of all safety awareness programs is to encourage students, faculty and staff members to be aware of their responsibility for their own security and the security of others.

The Office of Public Safety's responsibilities include, conducting programs, answering questions about safety and security, responding to inquiries about the Office of Public Safety's role on campus, and encouraging the community to become actively safety conscious. To help students and employees protect themselves and their property, the department develops and makes available to the university community a variety of educational programs, safety checks and services including:

Active Aggressor Training: The Office of Public Safety provides an online and/or held active aggressor training program throughout the school year to faculty, staff and students focusing on the protocol of Run. Hide. Fight.

Daily Building/Lighting Checks: When patrolling, officers survey exterior lighting, building exterior doors and campus grounds. All maintenance problems are reported to Facilities Management. Checks are conducted daily during patrols.

CPR Training: Hands Only CPR training is offered to any student or student groups. This training is usually combined with our self-defense training.

Emergency Telephones: Exterior Emergency Blue Phones are directly linked to the Office of Public Safety's contact line; they are tested monthly.

Escort Services: The Office of Public Safety's escort service to all campus locations is available to the Bellarmine community 24 hours a day, 7 days a week.

Event Security: The Office of Public Safety can provide or arrange for professional security, law enforcement and emergency medical personnel to support events on campus. To book event security at Bellarmine, contact the Office of Public Safety at ext. 7777.

Rave Guardian: Promotes the concept of "See Something, Say Something" with two-way communication between the user and the Office of Public Safety. Has various information on resource phone numbers, safety tips including Active Aggressor and Severe Weather.

Ride Systems: Shows shuttle riders where the shuttle is and when it will pick them up. It provides live location of buses, arrival predictions, and other important shuttle route information.

Self-Defense Training: This course teaches practical physical self-defense techniques to members of the Bellarmine community. Training will be held bi-monthly or as requested.

Surveillance Cameras: The Office of Public Safety supports over 200 video cameras placed around the campus.

Tips to stay safe: Being on a college campus is an exciting experience but it is important to prevent yourself from becoming more vulnerable than necessary or putting yourself into potentially harmful situations. All students, faculty and staff members within the Bellarmine community are strongly encouraged to report all crimes and safety related issues promptly and as detailed as possible to the Office of Public Safety. It is important to report these crimes for investigations, making necessary timely warnings to the campus community or if assistance is needed from local law enforcement agencies and other first responders. For emergencies, dial 911 then contact the Office of Public Safety on campus telephones at the four-digit number 7777. Off campus, callers can reach The Office of Public Safety at 502-272-7777. To report a crime in person, the Office of Public Safety is located on the ground floor of Centro Treece Hall in CNTH-054.

Information from crimes reported are used for Bellarmine's annual statistical disclosure of the Clery Act and may be the basis for issuing a campus alert. Crimes may also be reported to the Office of the Dean of Students and Student Affairs. The campus is equipped with eleven outdoor emergency blue phones that are programmed to call the Office of Public Safety automatically when activated. Pressing the red button initiates an emergency call. Public Safety completes monthly testing of the emergency blue phones. Courtesy phones are in the lobby or inside public areas of most university buildings. Students and employees can use these accessible telephones to call the Office of Public Safety.

The Bellarmine community is also encouraged to download the mobile app 'Rave Guardian' that allows users to communicate with the Office of Public Safety through real-time interactions including location-tagged text, calls, photos and videos. Rave Guardian also provides emergency hotline numbers, protocols and procedures.

Protection of Victim Confidentiality_____

With the individual's permission the Office of Public Safety can file a report of the incident without revealing their identity. The report would not include identifying information such as, but not limited to, name, address, contact information, date of birth or other demographic information that would serve to identify any individual. The purpose of the confidential report is to comply with the individual's desire to keep the matter private while taking steps to ensure the future safety of the individual and others.

Anonymous Reporting_____

Those within the Bellarmine community may voluntarily and anonymously report crimes to the Office of Public Safety at http://www.bellarmine.edu/security/report/.   Reporting may also be done through Bellarmine's Red Flag Reporting system. This system allows students, faculty or staff to report a concern in two ways; by calling a toll-free number (1-877-647-3335) or via a web site www.redflagreporting.com. The toll-free number is operated 24/7 and will allow for dialogue between reporter and the operator so that the University receives enough information to help with the internal investigation. If a student, faculty or staff member is aware of behaviors/conditions that may be harmful to others; they should also contact the Dean of Students at 502-272-8150.

With this information, the university can keep accurate records of the number of incidents involving students, determine where there may be a pattern of crime with regard to a particular location, method, or assailant, and alert the university community of potential danger when necessary. Reports filed in this manner are counted in the annual crime statistics for the university.

Crimes Reported to Confidential Reporting Resources

Confidential resources exist in order to provide a safe place for community members to discuss their options, learn about resources and discuss any concerns before deciding to take any further steps. Unless there is imminent risk of serious harm, information provided without express consent cannot be shared.

Confidential Reporting Resources include:

Who	Department	Location	Phone Number
Professional Counselors	Counseling Center	Allen Hall, Suite 403	502-272-8480
Medical Staff	Health Services	In Newman Hall, 1st floor, beside Petrik Hall	502-272-8313
Ordained Clergy	Office of Campus Ministry	Centro Horrigan Hall 016	502-272-8051

Confidential Reporting Resources are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy Confidential Reporting Resources are encouraged, when they deem it appropriate, to inform persons being treated of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics. When an alleged sexual assault is reported, campus resource persons will notify the reporting party of the range of resources and alternatives available to them both on campus and in the Louisville community (see Sexual Misconduct and Advocacy Resources brochure located at http://www.bellarmine.edu/studentaffairs/dean/SexualDiscriminationMisconductPolicy/.

Safety Tips:

The following tips can help you to avoid possible dangers:

1. **Do not let anyone into your residence hall, room, apartment or house door that you do not know.** Your personal safety is of the upmost importance. Do not allow anyone to make you feel guilty about taking safety precautions or intimidate you into compromising your safety.

2. **Make sure your room is always locked.** A simple precaution to protect your personal items.

3. **Be careful with your keys and identification card.** Do not loan your keys (room or car) out to anyone. If you lose your dorm keys, pay the fine and get a new set.

4. **If you have a car, lock it.** It seems so easy to remember, yet it is so easy to forget. Also, if you live on campus, check on your car multiple times throughout the week.

5. **If you have a bike, properly secure it.** Secure bikes through the wheel and frame with a high-quality lock; the U-Lock is recommended.

6. **Secure your belongings.** Never leave items like your backpack, laptop or cell phone unattended even if it is just for a minute. Make it a habit to take these valuables with you.

7. **Walk with another when out late at night.** There is always safety in numbers. If you do not have any friends available, please call the Office of Public Safety for an escort.

8. **Know the location of the nearest emergency phones on campus.** There are several Blue Phones and Yellow Phones on campus. If needed; please use them in the event of an emergency; they will ring directly to the Office of Public Safety.

9. **If you see something, say something.** If you see something that looks suspicious or dangerous, please contact the Office of Public Safety immediately. If your life (or the life of another) is in imminent danger, call 911 then call the Office of Public Safety.

10. **Stay alert!** Pay attention to what is going on around you and avoid blocking sounds or using distracting devices such as a cell phone. Your ears and eyes are your best defense to being taken by surprise.

Timely Warning Notice Policy_____

Bellarmine University is required to issue a timely warning when a Clery Act crime is reported to the Office of Public Safety or law enforcement and constitutes a serious or continuing threat to the Bellarmine community. Bellarmine University will issue a timely warning regarding a Clery Act crime that occurs within the campus' geographical area or immediately adjacent to campus or on non-campus properties as defined in the Clery Act.   The Director of Public Safety, or their designee (in consultation with the Vice President for Student Affairs or their designee), will assess the situation and decide if it warrants the issuance of a campus-wide timely warning.

Although not required by Federal Law, timely warnings may be issued for crimes that occur in areas outside of the defined Clery Act geographic areas or if the crime (even if not classified under Clery Act) are deemed to pose an ongoing threat to the campus community.

The content within the warnings will be developed and written in consultation with the Vice President for Student Affairs and/or the Office of Marketing and Communication to provide, as much needed information to the campus community about the issue at hand. The timely warning will include pertinent information about the crime that will aid in the prevention of similar crimes. Students, faculty and staff members are encouraged to read these reports as soon as they receive them. Timely warnings are not required to be issued for crimes reported to a pastoral or professional counselor.

Timely warnings can be issued through the University's text messaging system to all students, faculty and staff members who have registered their information. There are times when a timely warning will not be issued, if sending would impede an on-going investigation or crime. These situations will be reviewed individually on a case-by-case basis.

Individuals may add or update their information for the University's text message system by following these steps:
1.   Go to: One-Bellarmine
2.   https://one.bellarmine.edu/community/tsc/services/Pages/Emergency-Notification-(RAVE).aspx
3.   Enter your Bellarmine username and password; click on "Sign In".
4.   Click on "+Add Phone"
5.   Enter your phone number and select your Cell Phone Carrier
6.   Click on "Save"

Bellarmine's community emergency notification system is tested annually. If you encounter any issues or have any questions about the registration process, please contact the Technology Support Center at 502-272-8301.

Emergency Response Notifications_____

When an emergency occurs, the Bellarmine University Office of Public Safety will initiate an Emergency Notification immediately upon confirmation of a significant emergency or dangerous situation involving an immediate or impending threat to contain the situation and safeguard life and property. The Vice President for Student Affairs or a designee will be notified of the situation and the need for a declaration of a campus state of emergency. The campus alert system will be utilized to send out these notifications through email, text messaging, or through Bellarmine's other media accounts.

Examples of the types of situations that may prompt an emergency notification are:
•   Potential life-threatening situations on the campus
•   Building emergencies
•   Extreme weather conditions (official weather warnings)
•   Unplanned University closures (weather, power outages, etc.)

University officials, and their official representatives, who have the authority to issue emergency or evacuation notifications are:
•   Director of the Office of Public Safety
•   Assistant Director of the Office of Public Safety
•   Director of Media Relations and Social Networking
•   Vice President for Student Affairs
•   Sr Vice President

- President

If personnel listed above are not available to issue a Campus Alert, additional Office of Public Safety personnel who have been trained may issue the alert.

Should a campus state of emergency be declared, only students, faculty and staff members required to be present will be allowed to remain on campus. All others will be asked to leave until the situation permits their return.

Only those faculty and staff members who have been assigned emergency or trauma team duties by their supervisor, department head, Office of Public Safety, or the Emergency Operations Team (EOT) will be allowed to enter the immediate area of an emergency. Department heads are encouraged to assign pre-arranged roles to individuals based upon specific requirements and concerns within a department. Department heads should pre-assign at least general responsibilities to staff members. These teams will report to the Director of Public Safety and all other personnel will remain clear of the affected area(s) and continue with their regular duties unless otherwise instructed.

Each building on campus has an assigned Building Emergency Coordinator (BEC) who is responsible for planning and implementing their assigned Building Emergency Action Plan (BEAP). The coordinator's role is to provide direction and information for students, faculty, staff members and visitors during an emergency. Each BEAP was developed not only to provide for the safety of the University community, but also to comply with Occupational Safety and Health Administration (OSHA) regulation 29 CFR 1910.38.

The Office of Public Safety will educate and train the BEC to ensure they are prepared to assume their duties. The BEC emergency duties include the following:

- Assist in building evacuation.
- Report to the assembly area and account for evacuated personnel.
- Collect essential information for emergency personnel (i.e., location of the incident, persons still in building, and special hazards in the building, unique conditions).
- Assist physically disabled employees, students, or visitors

If the surrounding community needs to be informed of the emergency happening on campus Louisville Metro Emergency Services will be notified so that they can determine whether to send out a notification to citizens around the Bellarmine campus. Bellarmine will provide emergency notification status updates using one of the communication methods when new information or instructions are available. An "All Clear" notification will be sent indicating the emergency has been contained and that the University has returned to normal activities.

All Bellarmine buildings have evacuation procedures posted throughout each building. These procedures should be followed in the event an emergency requires that building to be evacuated. For more information regarding Emergency Response and Evacuation Procedures, please visit: http://www.bellarmine.edu/docs/default-source/security-docs/2015-disaster-preparedness-plan.pdf?sfvrsn=2

Each year Bellarmine conducts an annual exercise. This exercise will consist of either a drill, table-top function or full-scale exercise. An after-action plan review is conducted afterwards to review what was

learned. Public Safety or the Office of Student Affairs develops the exercise scenarios. The exercises are a way to remind the community of the emergency response procedures and to test the alert system.

Disclosure of the existence of fire suppression system in on campus housing_____

In accordance with Senate Bill 63, Residence Life informs all residential students that the University currently has fire suppressant systems in Anniversary, Kennedy, Newman, Petrik, Siena Primo Siena Secondo, Siena Terzo and Siena Quarto Residence Halls. All residence halls are within regulated fire code of the State of Kentucky and fire safety information is covered at required residential floor meetings and in the Bellarmine University Student Handbook.

Fire Drills_____

 A fire drill is a practice exercise entailing the prompt, complete, controlled, orderly, and quiet evacuation of a building. Kentucky law requires a minimum number of fire drills for University buildings each academic year. This trial run familiarizes residents with proper evacuation procedures. A sufficient number of fire drills are held to ensure an efficient evacuation procedure for each residence hall. At the sound of an alarm, it should be assumed that it is an emergency and not a drill or a false alarm. No one is permitted to remain in the building any time a fire alarm is sounded.

Policy for giving students with disabilities priority for first floor housing_____

Students requesting first floor housing should contact the Disability Services Office at 502-272-8490. The Director of Disability Services provides University's policies and services for students with disabilities. The Director of Disability Services also maintains records of any on campus housing assignment for students with disabilities, and the procedure for alerting safety and emergency personnel of the location of students with disabilities.

If students require any assistance evacuating the residence halls in an emergency, they must notify the Director of Residence Life at the beginning of the semester and include the nature of assistance needed. This information will be shared with the Office of Public Safety.

Policy for maintaining a record of any on campus housing assignment for students with disabilities, and the procedure for alerting safety and emergency personnel of the location of students with disabilities

If students require any assistance evacuating the residence halls in an emergency, they must notify the Director of Residence Life at the beginning of the semester and include the nature of assistance needed. This information will be shared with the Residence Life, Security and Fire Department personnel.
