Dear Dr. Dinkins,

Bellarmino University has successfully completed the state continued program review process and is compliant with Kentucky State Statutes and Administrative Regulations. In preparation for the accreditation visit scheduled for Fall of 2026, the enclosed document includes a list and status of each program submitted by Bellarmine University.

Carefully review the enclosed list to ensure that all educator preparation programs are included. This report will be used by the Site Visitors during your upcoming visit. This letter indicates a temporary approval of the program review documents as Site Visitors will review the programs for compliance during the accreditation visit. Following the CAEP team's recommendations and the recommendations from the EPSB Accreditation Audit Committee, the EPSB will make the final program and accreditation decisions at a regularly scheduled Board meeting.

Sincerely,

Meredith Brewer, Associate Commissioner
Office of Educator Licensure and Effectiveness
