

Exhibit 3.3.a.4 Collaborator Lists for EdS and MAED in Teacher Leadership

Specialist in Instructional Leadership and School Administration Program Bellarmine University Collaborator List

The faculty members in the School of Education have collaborated with various groups over the past year to design the Education Specialist (Ed.S) program. We have sought collaborative partners from multiple venues, engaging them in a variety of ways including planning sessions, lunch and dinner meetings, and work groups (including our Advisory Committee for Education [“ACE”] meetings). The following list includes the names of people who participated in the planning, development, and approval process for the redesign of Bellarmine University’s Instructional Leadership and School Administration program.
