

College of Health Professions - Call for Artists
Requests for Proposals (RFP)
2021-2022 BecVar Artist in Residence Program

The BecVar Artist in Residence Mission:

This program's mission is to facilitate the examination of the art and science of nursing and the health sciences through the eyes of an undergraduate student working in any of the fine and creative art mediums. The goal is a better understanding of health care work on the part of health care workers themselves and the general public.

The Award:

The BecVar Artist in Residence Award will be approximately \$1,300/semester for two consecutive semesters while working on their project. This amount can be applied to tuition or received as a check as taxable income. There is also up to \$500 available for installation, printing/production costs (depending on the medium).

Project Intent:

The Artist in Residence participates in the many activities and experiences of faculty, students, patients, and families in the health sciences and creates an artistic response to be shared with the Bellarmine community and the community at large. The Artist works with a Bellarmine faculty mentor in their chosen artistic discipline.

Eligibility:

1. The student must be a full-time student in good academic standing holding junior or senior status when in residence.
2. The student must be graduation eligible within one year of award completion.
3. Student must have a declared major or minor in one of the following departments:

ART: Digital Art, Painting, Photography, Sculpture & Extended Media and Arts Administration
