

Bellarmine University CLEP Policy

Applicable for new exam results and students who started Spring 2021 or later

College-Level Examination Program (CLEP) Policy: Bellarmine University will accept CLEP exam credit based on the chart below. A maximum of 36 credit hours may be earned through external examinations. To receive credit, official exam scores must be sent directly from The College Board to Bellarmine's Registrar's Office. CLEP exam scores are recorded on the Bellarmine transcript as earned credits and do not calculate into the Bellarmine GPA. CLEP scores do not count towards "institutional" credits earned at Bellarmine. If a student subsequently takes a course at Bellarmine for which CLEP credit has been granted, credit will not be awarded for that subsequent course; it would be considered a repeat. To request exam scores, visit collegeboard.org. The full "Credit by Exam" policy can be found in the Course Catalog.
