COUNTDOWN FOR FIRST-YEAR STUDENTS
The countdown begins this summer—registering for class, viewing your roommate assignment and making sure you’ve covered all the details. It is important that you know some of the basics before you arrive on campus. Go over some of the following tasks with your parents before your arrival:

- Know how to do laundry, manage your bank account, debit and credit cards and other basics.
- Prepare an electronic items inventory—record the product and serial number of your electronic items.
• Review the *What to Bring and What Not to Bring* lists in this guide.
• There is NO extra storage space in the halls, so limit what you bring. You should think about bringing seasonal clothes only.
• Republic Bank will be on campus for Move-In Day, Saturday, August 17. As the official Student Bank of Bellarmine University, Republic Bank offers you an exclusive Ultimate checking account package! Open your account online today! Visit UltimateEChecking.com/Bellarmine and use promo code: RBT100 or stop by a Republic Bank Banking Center to open an account. GET INVOLVED IN YOUR NEW HOME

**Residence Hall Association (RHA)** – As a residential student, you are a member of RHA, a student organization dedicated to improving life on campus for residents. You’ll help organize large-scale community building activities, such as Halloween Fright Knight and RHA week. For more information about Hall Council or RHA, contact Will Tyree, RHA President, at wtyree@bellarmine.edu.

**Hall Council** – Join your Hall Council and help organize social events such as cookouts and community service activities. It’s a great way to get to know your fellow residents and hall staff. Hall Council meetings are weekly. Make a difference in your hall community!

**Student Jobs** – Residence Life hires students that are eligible for Federal Work Study and KREBS as office and desk assistants. Please contact Residence Life at reslife@bellarmine.edu if you are interested in working for us.
HOUSING AND 
RESIDENCE LIFE STAFF

Residence Life Office (RLO) – Located on the first floor of Petrik Hall, the RLO serves as the central office for the entire residence hall system. The offices for the full-time Director, Assistant Director and Coordinator of Operations are located in the RLO. The RLO works to ensure that your living environment is not only comfortable and satisfying, but also a valuable part of your total educational experience. You will also pick up all packaged mail in the RLO.

Residence Life Coordinator (RLC) – Full-time or part-time live-in staff responsible for the overall management of all buildings. RLCs will hold office hours each week in the hall.

Peer Ministers – Peer Ministers serve as mentors, a pastoral presence and role models to their residents; and serve as conversation partners to students along the way as students seek out their individual vocations.

Resident Assistants (RA) – Experienced, upper-class students selected and trained by Residence Life that live on every floor in each hall, RAs build community on their floor, organize and implement community building activities, and enforce policies. RAs also create positive relationships and help you find campus resources.

Academic Peer Coaches (APC) – APCs offer academic support for your transition from high school to college. APCs also offer community builders that focus on academic skills and recognize residents for their academic achievements.

Maintenance and Custodial Staff – These staff maintain our residence halls on a year-round basis. They clean common areas and common bathrooms. Get to know your maintenance and custodial building staff members, who have a vested interest in your safety, health and comfort.
TIPS FOR SUCCESS

• Respect – Respect your roommates, your neighbors, your community and yourself.
• Study – Find your quiet place for studying. Stay current on assignments and attend all your classes.
• Involvement – Get involved! Students who get involved early on have a higher achievement rate, are less homesick, and generally get more out of their college experience than those that are not involved.
• Service – Give back to your friends, community and BU. Seek out ways to be of service to others.
• Explore – Explore your opportunities: they are endless. Take time to learn of the diversity, the cultural advantage and the leadership opportunities BU has to offer.
• Discipline – Take time to study, reflect and have fun. Know when it’s the right time for each.
• Goals – Don’t lose sight of why you are here and how you plan to get to your goal. Establish your goals and plan of achievement. The best way to get where you want to go is to know where you are going.

LIVING WITH A ROOMMATE

At the beginning of the year, you and your roommate(s) will sign a Roommate Agreement. This document is a tool for each resident to use, that covers a range of topics from sleep patterns to sharing food. Even if you are rooming with your best friend, take the time to understand the preferences of your roommate(s). Your RA or Residence Life Coordinator will help resolve issues. Here are a few tips that will help you build a healthy relationship with your new roommate(s):

1. Communication is the most effective tool for living together happily.
2. Take your Roommate Agreement seriously. Discuss personal needs and boundaries early to prevent future challenges.
3. Be ready to make compromises.
4. Always treat your roommate(s) with respect. Think about how you would feel if the roles were reversed.
5. Try to contact your roommate during the summer to plan the upcoming year.
6. Take your roommate to lunch or go somewhere outside your hall and have fun! Invite others to go along; expand your world.

PARENT AND FAMILY INFO FOR FIRST-YEAR STUDENTS

Letting go is never easy, especially after so many years at home! You’ve known your student’s friends, parents, teachers and coaches. You’ve arranged their schedules over the years for play groups, soccer practices, band concerts and summer camps. And now, at this pivotal time in their lives, you are supposed to let them do it all alone!

You have a new role—that of a mentor, a trusted advisor and counselor. Research indicates that today’s students consider their parents to be their best advisors. As students adjust to their newfound independence, they will be calling on you for advice, support and affirmation that they can succeed. Things you can’t predict or control will happen, but trust in your student’s judgment and also have confidence in the university staff members who will assist them.

PREPARING BEFORE ARRIVAL
• Make hotel/transportation reservations for Move-in Day if needed.
• There is NO extra storage space in the halls; encourage your student to limit what they bring. You may be taking belongings back home with you!
• Review and discuss with your student important Residence Life policies found online (www.bellarmine.edu/studentaffairs/residence) and in the Student Handbook (www.bellarmine.edu/docs/default-source/student-affairs-docs/student-handbook.pdf).

PREPARING YOUR STUDENT FOR CHECK-IN
• Your student checks in and accepts the key. You are now their “guest” in the residence hall and you should be escorted by your student.
• Let your student and their roommate set up and decorate their room. Let them sort out who brings specific items to share as they communicate prior to move-in.
RESOURCES FOR PARENTS AND FAMILIES
We encourage you to join the Family Programs Facebook page and become a part of the BU Community. Also we invite you to Family Weekend on September 27-29, 2019.

To ensure the prompt and accurate delivery of mail to your box, it is necessary that the complete address listed below be used on all mail.

Address should read as follows:

Bellarmine University
Hall Name
(Campus Box #)

You will get your campus box number when you check in. Please remember that it is not safe to send cash in the mail. Residence Life cannot track postal mail.

TOBACCO FREE INITIATIVE AT BU
Bellarmine prohibits the use of tobacco on all university property, including Bellarmine vehicles and sports and recreation facilities. Smoking in personal vehicles is allowed. For more information on tobacco self management, please contact Dr. Alice Kimble, Director of Health Services at 502.272.8313 or mkimble@bellarmine.edu.
TELEPHONE SERVICES

Telephone service is no longer provided in residence hall rooms. Surveys show more than 86% of students would prefer not to have an “active” phone line in their rooms. Students will have access to a public phone in each residence hall lobby or RLC office.

Residents who need local land line phone service may request installation of the service by submitting an application to the Department of Housing and Residence Life.

Students with room activation are responsible for providing their own telephones. Cordless telephones 2.4 GHz or larger cannot be used in the residence halls for the potential interference with the wireless network.

ON CAMPUS LIVING: WHAT TO BRING

SAFETY & SECURITY

- All residence halls are locked 24 hours, seven days a week. Only residents assigned to a hall have access to that hall by swiping their ID Card. You should not key non-residents into the building who are not your guests.
- Each student has a room key. Hall staff review safety procedures with residents upon check-in.
- There are “blue light” phones all over campus for immediate access to Public Safety.
- Although rare, theft and crime do occasionally occur on campus; see www.bellarmine.edu/security for prevention information.
- The university is not responsible for damage or loss of property, so residents are encouraged to purchase renter’s insurance for emergencies.
- Bellarmine also offers a security escort for students who do not feel comfortable walking back to their cars or halls after dark. Call 502.272.7777 for an escort.

For more information, contact the Office of Public Safety at 502.272.7777. Public Safety officers are on duty 24 hours a day. They also observe video monitors which are connected to cameras located throughout the campus in public areas. Public Safety officers carry a telephone and/or a hand-held radio for contact with the fire and police department in case of an emergency that cannot be handled by the department.
FIRE SAFETY & PREVENTION

Fire detection devices have been installed in every room and in the corridors. The entire alarm system is connected to a central alarm system, which automatically notifies the university Office of Public Safety of any problem.

IF YOU DISCOVER OR SUSPECT A FIRE:
1. Activate the fire alarms – Go to the nearest exit and pull the fire alarm down.
2. Evacuate the building in an orderly manner. As you leave, alert others in your building. Never return to a building until instructed by a Residence Life Staff person, Public Safety or the fire department. When possible, before evacuating do the following: wear shoes and a coat, open all curtains/blinds, close windows, turn on lights and close all doors.

FIRE PREVENTION
• Use of multiple plug adapters to obtain a maximum number of outlets can result in the overload of circuits and fire. When using a power strip make sure it is polarized and grounded, with a built-in circuit breaker.
• Appliances such as irons, curling irons and hair dryers should never be left unattended or plugged in for long periods of time. Prohibited appliances include: space heaters, hot plates, toaster oven and electrical appliances used for cooking or preparing meals. Approved appliances include: coffee makers, hot air popcorn poppers and U.L. listed non-open coil items.
• Oil lamps, potpourri, candles and incense are prohibited.
• Do not place decorations on ceilings or sprinkler heads. Materials on the ceilings may also impede the activation of smoke and heat detection equipment. Wall and ceiling decorations will increase the speed for fire spread.
• Additionally, fire extinguishers have been provided in each building to be used in the event of a small fire. Your main interest is to get out and stay out of the building. If you have not been trained to use a fire extinguisher, focus on evacuating the building.
