First Bake-off is a Great Success

The 2010 Bake-off was held on Feb. 12, just in time for Valentine's Day. We had more than 25 entries, including brownies, banana pudding and even a red velvet cheesecake! More than 90 staff and faculty members came by Hilary's to help us judge the desserts. It was a delicious decision!

The best in show award went to Jared Burton (assistant registrar) with his red velvet cheesecake. Other winners were Maria González with her flan and Melody and Julian Carriere with coconut macaroons and New Orleans pralines, respectively. You can find a wide variety of recipes on the Staff Council's website, including appetizers, main courses and desserts. Check it out.

Thanks to all our entrants and judges, and congratulations, Jared!

Dr. Melanie-Prejean Sullivan, director of Campus Ministry and Service, has completed a curriculum guide for teaching discernment entitled *Whispers, Nudges, and A Couple of Kicks*. Based upon her doctoral research, the book walks instructors through an introduction to the topic and intersecting disciplines. It will be available through the Office of Campus Ministry, with proceeds to benefit Alternative Spring Break domestic trips. It will also be distributed nationally through the National Coalition for Church Vocations' website. Brad Craig, director of Creative Services, designed the book.
